

Carlingford West Public School and Cumberland High School

Works notification | 29 March 2023

Night works at Carlingford West Public School and Cumberland High School

As part of regular school maintenance at Carlingford West Public School and Cumberland High School there will be contractors on site to paint on the weekends and during the night. From Friday 31 March 2023 there will be painters at the schools on weekdays from 3pm to 3am and on weekends and during the school holidays from 7am to 4pm. These works will continue until early May 2023.

This painting work is occurring outside of school hours so students are able to use their regular classrooms and facilities during school hours.

Managing construction impacts

The safety of the school's students, staff, visitors and the local community is our highest priority. Construction planning is designed so there is minimal impact on school operations. Safety measures are in place to separate the construction site from areas occupied by the school and ensure students are unable to enter construction areas.

There is regular consultation with the school to discuss construction progress. For more information about how SINSW manage construction impacts please visit our webpage at edu.nsw.link/ConstructionImpacts or scan the QR code to the right.

Thank you for your patience while we deliver this important school infrastructure.
