

Curl Curl North Public School upgrade

# Curl Curl North Public School

Summer holiday construction works

December 2020

## Investing in our schools

The NSW Government is investing \$7 billion over the next four years, continuing its program to deliver more than 200 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

## Curl Curl North Public School

We are upgrading Curl Curl North Public School with new and improved education facilities for students.

The project will provide:

- 40 new permanent classrooms including refurbishment of one existing building
- A new hall and canteen
- A new and upgraded library
- New administration facilities
- New toilet blocks
- Upgraded playground and sports facilities
- External landscaping.

## Progress summary

Stage 2 of the upgrade is nearing completion and is expected to finish in early 2021.

External works on the new hall, canteen, OHSC space and toilet blocks, are complete. Internal works including services and installation are progressing well.

The temporary classrooms have been removed from the entire site and external landscaping works are progressing well.

## Next Steps

Construction activities will continue during the summer holidays including internal construction work and landscaping.

Access gates between private properties and the school will be permanently closed for security purposes.

## Summer school holiday works

No work will be undertaken from Friday 25 December 2020 to Sunday 3 January 2021.

Outside of these dates construction hours will be 7.00am to 6.00pm Monday to Friday and 8.00am to 1.00pm on Saturdays. No works will take place on Sundays or public holidays, unless otherwise notified.
