Dapto Public School

Project update

July 2021

Investing in our schools

The NSW Government is investing \$7.9 billion over the next four years, continuing its program to deliver 215 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

A project is underway to upgrade Dapto Public School to help meet future enrolment growth in the local area.

The project will deliver:

- 20 innovative learning spaces
- practical activity spaces
- an extension to the existing library and administration facilities including a new staffroom with more office space and a dedicated teacher digital area
- minor refurbishment to the canteen.

Progress summary

The construction of the new buildings are progressing well and are on track for completion mid-September 2021. It is anticipated that occupation of the new facility will be scheduled for Day 1 Term 4

Landscaping works have now started.

The removal of demountable classrooms are scheduled to start late September 2021 and be completed early October 2021.

The carpark works are scheduled to be completed by late 2021, after the demountable buildings are removed.

Next steps

Throughout July, August and September 2021, works at Dapto Public School will include:

- Completion of roof sheeting and external brick work
- Completion of ceilings, wall linings, toilets and lift installation
- Internal and external painting and cladding will continue
- Floor finishes and external works will continue
- Furniture will be located in position during August and September
- Demountable buildings will be disconnected and removed from site in late August/ early September.

The project is on track to be opened on Day 1 Term 4, 2021.
