

Darlington Public School

Works notification

1 April 2022

A project is underway at Darlington Public School to deliver new facilities including learning and teaching spaces, a hall, a library, administration and staff facilities, a canteen and covered outdoor learning areas (COLAs).

Concrete pours out of hours work

Works to pour the outdoor concrete slabs for the new school at Darlington Public School are currently underway.

Due to an issue with the concrete mix which delayed it setting, work extended outside the project's approved hours of 7 am to 6 pm on the evening of Thursday 31 March 2022. We apologise for any inconvenience this may have caused, and thank you for your understanding.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Thank you for your patience while we deliver this important school infrastructure.
