

Thank you

from Darlington Public School | July 2023

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Stage 2 works were recently completed in time for the first day of Term 3. The school have been enjoying the Stage 1 facilities which were finished in May 2022.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

The Darlington Public School upgrade provides the latest education facilities for students and staff, and will support the growing local community.

Wishing you all the best,

The School Infrastructure Project Team and Darlington Public School

Learning space

Library

New facilities

We're really excited about the new school facilities. We have delivered:

- a new three storey building containing 19 new permanent learning spaces
- 3 preschool classrooms for up to 60 children and dedicated outdoor play area
- a new library
- new administration area
- sports courts
- a new hall and OSCH facilities
- a new canteen
- covered outdoor learning areas (COLAs)
- landscaping and play areas
- new staff facilities
- a dedicated special programs space.

Thank you for your patience during the Darlington Public School upgrade.

We are thrilled to have delivered this project to the community.
