

Darlington Public School

Works notification | Friday 31 March 2023

Out of hours work on Monday 20 March 2023

Construction works for the upgrade at Darlington Public School are currently underway.

On the evening of Monday 20 March 2023, completion of make-safe works extended outside the project's approved hours of 7 am to 6 pm. Prior to a crane lift scheduled for the following morning, the set-up area needed to be compacted to minimum specifications to ensure safe operation. A part of the area was not compacted enough and was attended to after 6pm.

We apologise for any inconvenience this may have caused and thank you for your understanding.
