Dear Ms Carpenter,

Request for an Alternative ESD Certification Process

I refer to your submission dated 23 February 2021 regarding an alternative ESD certification process for four SINSW projects. These projects and their corresponding conditions of consent are:

No	School project name	SSD	condition
1	Darlington Public School	9914	B8
2	Denham Court (East Leppington) Public School	9476	B11
3	Fort Street Public School	10340	B13
4	Lindfield Learning Village	8114	B8

As nominee of the Planning Secretary, I agree that the Sustainable Schools Certification (SSC) can be utilised as an alternative ESD certification process for the above listed projects subject to compliance with conditions 1-6 of the Department's letter dated 20 January 2021.

You are reminded that the Planning Secretary may revoke this agreement if the SSC does not result in the relevant schools achieving an equivalent 4-star Green Star rating.

If you wish to discuss the matter further, please contact Shiraz Ahmed on 9274 6534.

Yours sincerely

Jake Shackleton
