

Darlington Public School

Early works commencement notification

November 2020

A building project is underway at Darlington Public School. This project will deliver new facilities to the school including learning and teaching spaces, a hall, a library, administration and staff facilities, a canteen and covered outdoor learning areas (COLAs).

Darlington Public School early works

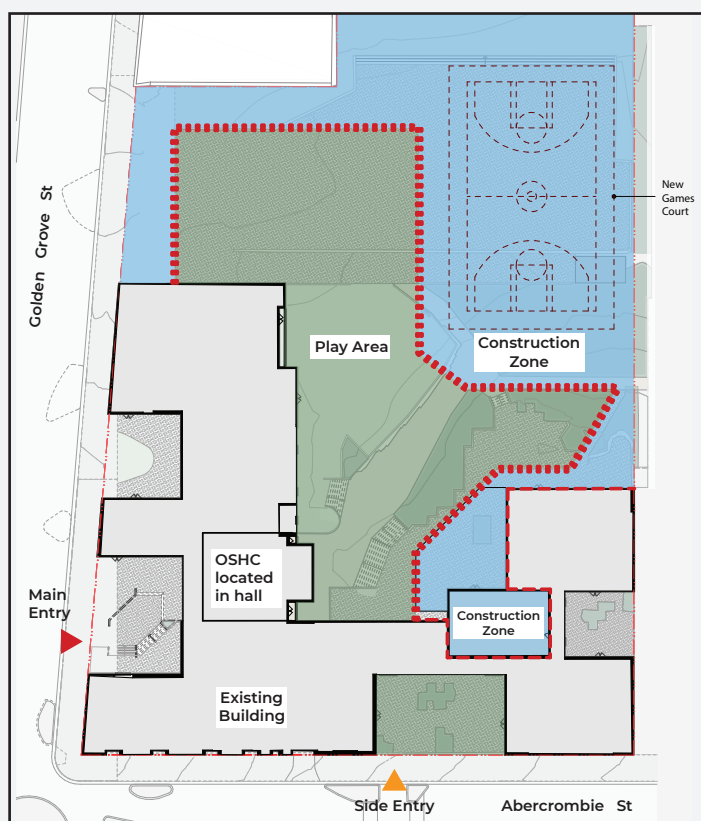

Early works have been approved for Darlington Public School and will be commencing from Monday 7 December 2020. The early works include the construction of a new games court and temporary pre-school.

From Monday 21 December 2020 parts of the existing building (Block C of the school) will be demolished to facilitate the main works construction to commence early 2021.

Early works will see trucks and equipment arrive on site and the establishment of several work compounds. Temporary fencing will be installed to separate all work areas and ensure the safety of students, staff and visitors.

The blue shaded area of the map below shows the location of the early works within the school. The contractor's access to the site during early works will be through the Golden Grove Street vehicle gate.

Early works: commencing from 7 December 2020

Working hours

Working hours for the early works stage are:

- 7:00am to 5:00pm, Monday to Friday
- 7:30am to 3:30pm Saturday.

There will be no work on Sundays or public holidays.

Next steps

The new facilities for the school will be delivered over two stages. This is to prioritise safety and amenity, minimise disruption and maximise open play space. Once early works have been delivered, main works construction and Stage 1 will begin in early 2021.

What will happen in Stage 1 of the project?

Construction works will be coordinated across two stages to prioritise safety and amenity, minimise disruption and maximise open play space. Stage 1 will begin in early 2021 and include construction of a three-storey building containing 12 innovative learning spaces, school administration area, library and preschool.

November 2020

What will happen in Stage 2 of the project?

The school will commence occupation of the newly completed Stage 1 works and Buildings A and B will be vacated and demolished. Stage 2 will include the construction of the new school hall, OSHC, staff areas and an additional seven classrooms. Stage 2 of the project is not expected to commence until 2022.

How will the school and local community be kept safe during construction?

All work will be undertaken in accordance with SafeWork NSW regulation. All construction impacts will be controlled in accordance with the relevant management plans. The health and safety of the school and community are our highest priority.

If you have any concerns about this project, you can contact School Infrastructure NSW during business hours on 1300 482 651. In an emergency, call triple zero (000).

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity. Thank you for your patience while we deliver this important school infrastructure.
