

Denham Court Public School

Project update

April 2021

Investing in our schools

The NSW Government is investing \$7 billion over the next four years, continuing its program to deliver more than 200 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

A project is underway to deliver the new primary school on Commissioners Drive in Denham Court to support the growing community. The school will include:

- 44 new flexible learning spaces
- a library, hall, canteen and Covered Outdoor Learning Area (COLA)
- administration and staff facilities.

The new school is designed to accommodate up to 940 students from years K-6 and will be operationally ready on Day 1 Term 3 2021.

Progress summary

Main construction works are progressing on the new school. Stormwater installation and earth works are now complete. The buildings constructed offsite

have been delivered and installed, and the onsite buildings are structurally complete.

Dust and noise controls are in place to reduce the impact on local residents. Traffic control and security will be used where required. We will ensure disruptions to the wider community are minimised.

Next steps

Planned works over the coming months include:

- Completing the building facades and balconies
- Internal fit out of school buildings
- Installing walkways
- Completing the staff carpark and basketball court
- Completing landscaping
- Completing the Kiss and Drop zones on Willowdale Drive, Commissioners Drive and Elkhorn Street.
