

# Eastwood Public School

## Works notification | 25 June 2025

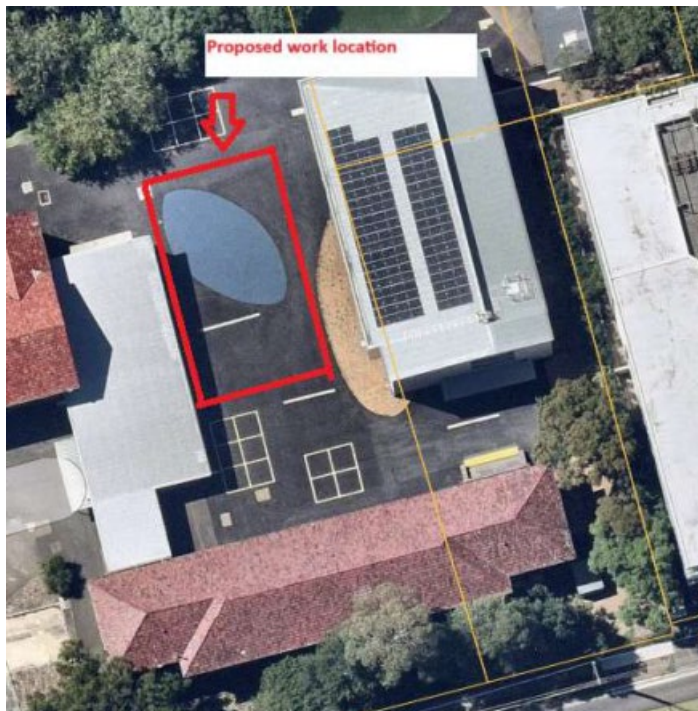

As part of the NSW Government's plan to rebuild public education, the 2025-26 Budget is delivering record education funding, including \$9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

### Playground installation

Works to install new playground equipment between buildings E and B at Eastwood Public School will take place from **Wednesday 2 July to Friday 1 August 2025**. Temporary fencing will be installed before works start to ensure students and staff can't access the work site.

Most of the work will take place during the winter school holidays to avoid any impacts to school operations.

### Proposed location of new playground equipment
