Storage for sports and performances

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

## Message from your principal

We are thrilled to announce the grand opening of our new multi-purpose school hall, a significant milestone for Engadine High School. This state-of-the-art facility embodies our dedication to providing exceptional educational experiences.

Equipped with cutting-edge technology and a spacious design, the hall will host a wide range of activities, from assemblies and lectures to sports events and exams. It also provides an excellent indoor location for our PDHPE students and a premier venue for our outstanding performing arts program.

This hall is not only for our students but also a valuable asset for the broader community. We envision it as a hub for community events and gatherings, strengthening our connection with the local area. We eagerly anticipate the countless opportunities and memories this new space will create for both our students and the community.
