

Epping Public School

Back to school 2020

Welcome to your school

We're excited your new school facilities are ready for you to use.
The upgrade to your school includes:

22 new permanent learning
and teaching spaces

A new library

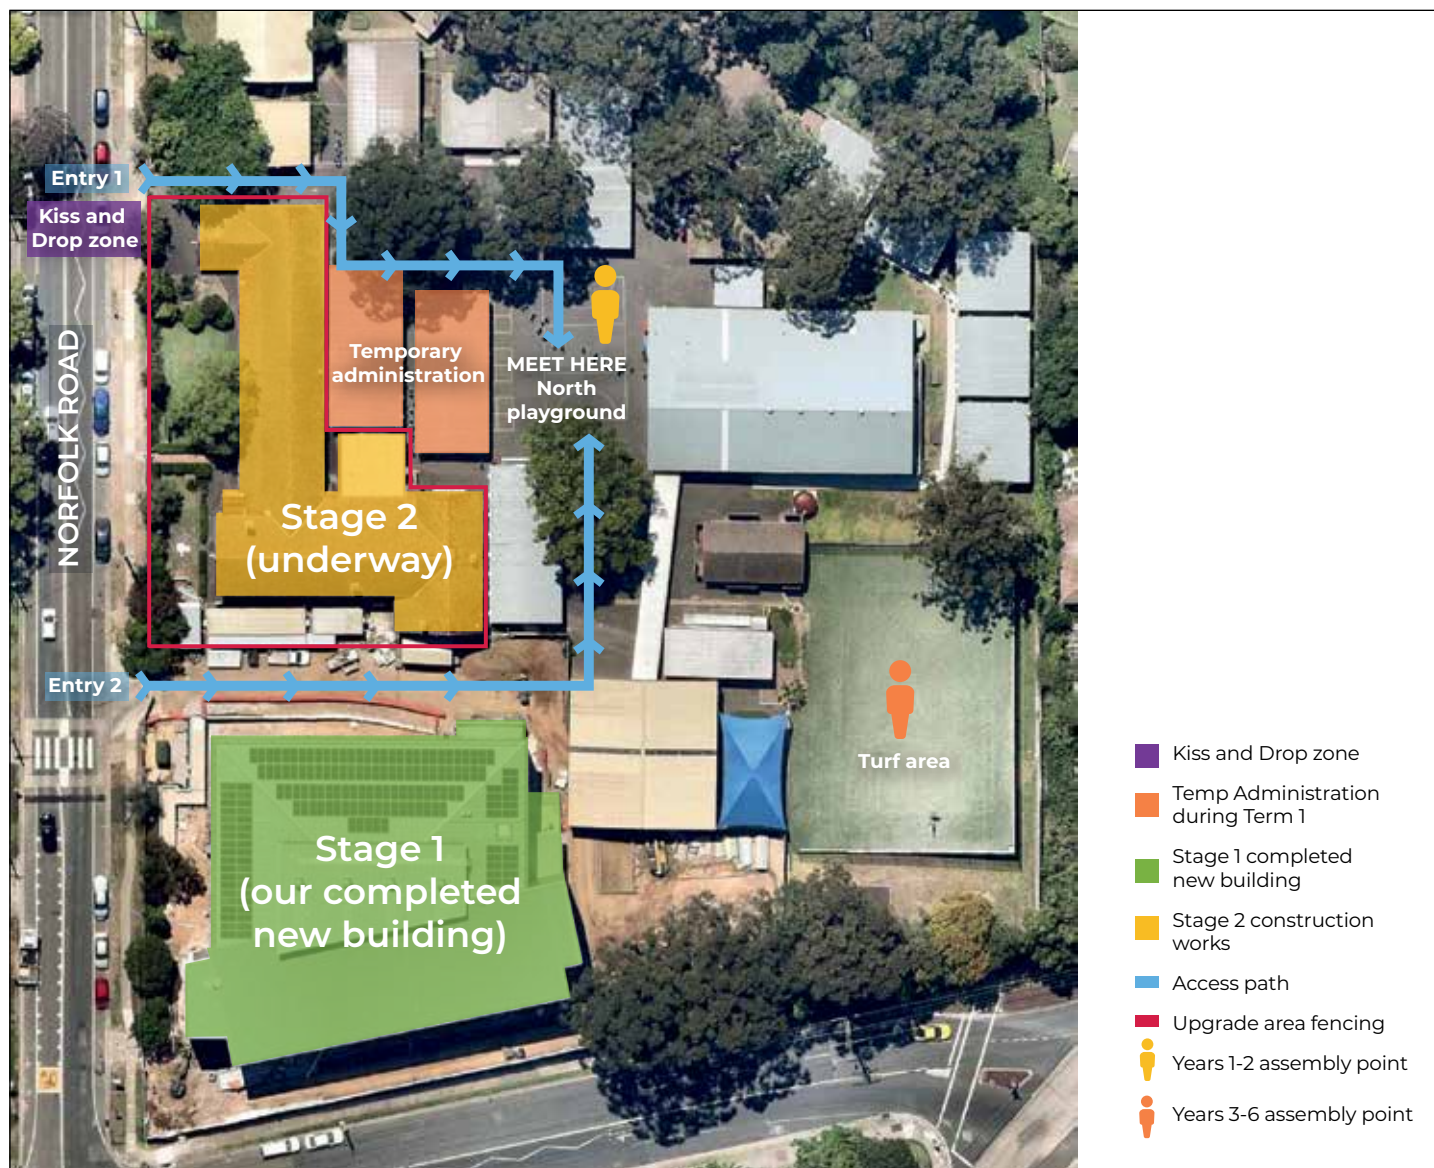

An upgrade of existing core
facilities, including special
programs rooms

Upgrade of existing
administration
and staff areas

Thank you for your patience during construction. We are thrilled to deliver this stage of the project for your school community and hope you enjoy your new spaces. Share your back to school experience with **#Ready2020**.

Access to new school buildings from Term 1, 2020

Message from your Principal

We have been officially handed the keys to our new building, marking the end of Stage 1 of our upgrade. After almost two years of planning and construction, our vision is well on the way to becoming a reality.

We are proud of our 22 new classrooms and the space they provide for flexible learning. They look great and will serve us well as we continue to focus on quality teaching for our students.

I'd like to thank students, staff, parents and the local community for their patience and ask you to bear with us as Stage 2 of our upgrade continues over the coming months.

John Ford, Principal

What to expect

Students and parents will make their way to the north playground to drop off school bags and assemble on their relevant year assembly area.

- Years 1 and 2 will assemble in the north playground.
- Years 3 to 6 will assemble on the turf area.

Project Overview

The Epping Public School upgrade will be completed in two stages.

Stage 1 (Completed)

Stage 1 of the project has delivered 22 new permanent teaching spaces and a new library.

Stage 2 (Underway)

Stage 2 of the project is underway for the refurbishment of the administration building.

Innovative learning environments

Stage 1 of the upgrade to Epping Public School has been completed. This exciting project now delivers innovative learning environments for the next generation of young minds.

Innovative learning environments provide flexibility where teachers can provide opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible spaces that allow students to use technology in a variety of settings
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.

Frequently asked questions

Where do the students go for the first day of school Day 1 Term 1 2020?

Students and parents are asked to go to the north playground to drop off school bags, then assemble at their relevant year assembly area.

Students in Years 1 and 2 will assemble in the north playground and students in Years 3 to 6 will assemble on the turf area. Refer to the school map on the previous page.

When can parents and the community tour the new building?

We welcome all parents, students and our local community to visit our new building and see our new learning spaces and library.

Parent tours: Thursday 30 and Friday 31 January
3:30pm – 4:00pm

Parent and local community tour: Saturday 1 February
9:00am – 11:00am

Will there be any changes to the Kiss and Drop zone?

No. The existing Kiss and Drop zone on Norfolk Road will continue to operate as usual. The Kiss and Drop zone is at entry 1. Refer to the school map on the previous page. The school will be kept informed of any planned traffic changes.

Will there be any changes to the bus stop zone?

No. The existing bus stop on Norfolk Road will continue to operate as usual.

Will there be any changes to the school entrances?

Students will enter the school via Norfolk Road entry points 1 and 2. Refer to the school map on the previous page.

Where will the temporary administration building be located?

The temporary administration building will be located behind the existing administration building that is being refurbished. Refer to the school map on the previous page.

What construction work will take place in Term 1 2020?

Stage 2 works have commenced and will continue throughout Term 1. These works include the refurbishment of the existing administration building.

Upgrades to the toilet facilities near the playground are also underway, as part of regular school maintenance.

When will the project be completed?

The Epping Public School upgrade is expected to be completed by the start of Term 2 2020.
