New primary school in Estella, Wagga Wagga

Early works commencement

March 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

Project overview

The new primary school in Estella, Wagga Wagga is designed to accommodate up to 480 students from years K-6. The school will include:

- Flexible learning spaces to facilitate new ways of teaching and learning
- Administration and staff facilities
- A library, hall, canteen and covered outdoor learning area (COLA).

Project status

The detailed design for the school is now complete. The Development Application (DA) for early works has been approved by Wagga Wagga City Council. We are waiting to receive planning approval for the main works.

Early works begin soon

From April 2020, site establishment and early works including bulk earthworks will begin.

Work hours are 7:00am to 6:00pm, Monday to Friday and 8:00am to 1:00pm on Saturdays. There will be no work on Sundays or Public Holidays.

Site signage and shade cloth are in place to minimise dust and ensure the safety of the local community.

We will continue to work with the contractor, Hansen Yuncken, to ensure any disruption to our neighbours is kept to a minimum.

We will provide further updates as the project progresses.

Come and meet the project team

We invite you to join us at a drop-in information session on Wednesday 18 March 2020 to meet the team and discuss the project:

- 11:30am to 1:30pm at Wagga Wagga City Council, 243 Baylis Street, in the office foyer
- 3:00pm to 5:00pm at Charles Sturt University, HR Gallop Gallery, Darnell Smith Drive
