

# New primary school in Estella, Wagga Wagga

## Works notification

21 August 2020

A project is underway to deliver a new primary school in Estella, Wagga Wagga. The school will include 16 flexible learning spaces, a library, hall, canteen and covered outdoor learning area.

### Update on oversized truck deliveries

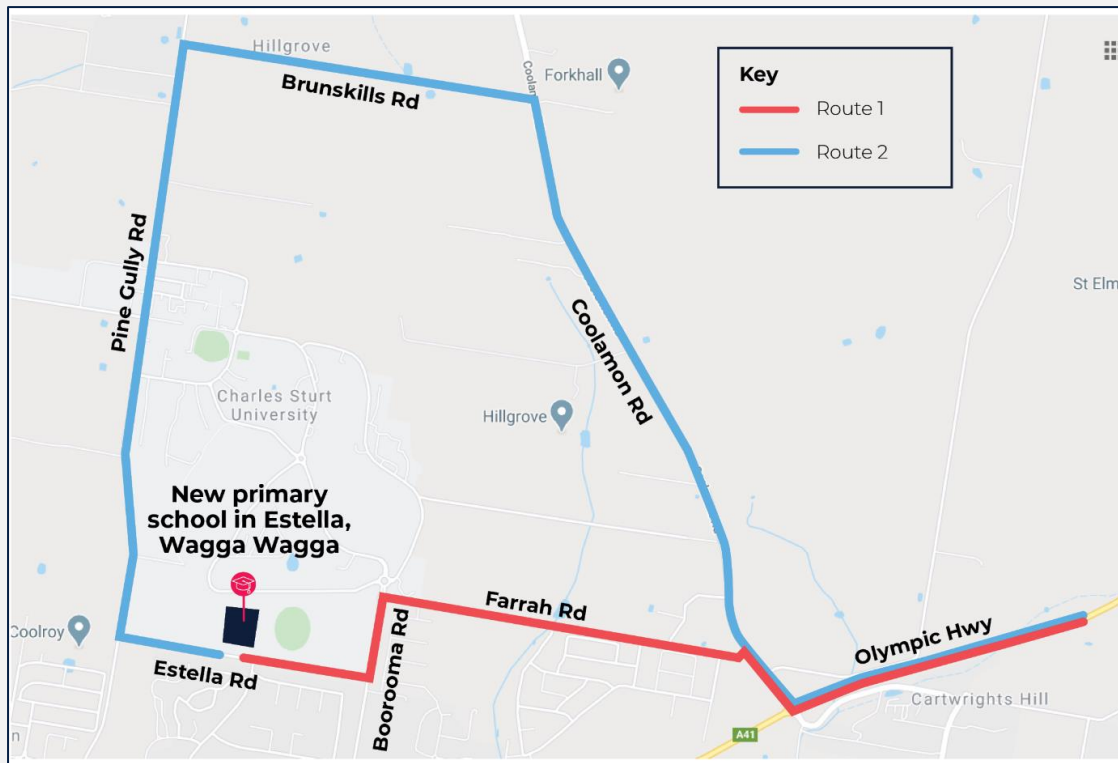

Further to our notification of Friday 10 August 2020, the oversized truck deliveries to the school have been rescheduled due to wet weather.

Oversized truck deliveries are now scheduled over three days from Monday 24 August to Wednesday 26 August 2020, weather permitting.

Deliveries to the school site will take place during standard construction hours of 7:00am to 6:00pm Monday to Friday and 8:00am to 1:00pm Saturdays. Under standard hours, there will be no work on Sundays or public holidays.

Driving hours for oversize trucks are regulated by Transport for NSW and Wagga Wagga City Council. Due to road works in the surrounding area, two driving routes will be used. These are shown in the map below.

Please note that deliveries may be extended to include Thursday 27 August, Friday 28 August, and the following week from Monday 31 August to Friday 4 September 2020 should we experience inclement weather.

## Keeping you updated

Thank you for your understanding during this important work. We welcome any enquiries regarding work at the new primary school in Estella, Wagga Wagga.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
