

# Estella Public School

## Works notification

18 February 2021

Dear Parents and Carers

We would like to thank you for your patience while we delivered this new school.

In January 2021, we delivered 16 flexible learning spaces, a library, hall, covered outdoor learning area (COLA), play areas and staff and administration facilities.

### **Pick up and drop off area and bus stops available on Monday 22 February 2021**

The road works on Estella Road is now complete. The kiss and drop and parking area on Estella Road will be available from Monday 22 February 2021 for parents and visitors when visiting the school.

Traffic controllers will also be at the front of the school on Estella Road to assist parents and visitors while adapting to these new areas for two weeks. Please refer to the map overleaf for details. The map also shows the bus stops on Estella Road near the school, which are finished and will now also be used from 22 February.

Please note that the temporary kiss and drop and parking area in the Charles Sturt University (CSU) carpark, Darnell Smith Drive in Estella, will no longer be available as at Monday 22 February 2021.

### **Keeping you updated**

Thank you for your understanding during the completion of the school build and surrounding work works. We welcome any enquiries regarding work at Estella Public School.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
