

Fairvale High School

Completion Pack Term 4 2022

New Block K building at Fairvale High School

Welcome to your school

We're excited that the upgrade of Fairvale High School is finished and you are enjoying your new facilities.

30 permanent learning spaces in a new building

A new multipurpose hall and canteen

New and expanded staff administration facilities

Improved outdoor play space

New covered outdoor learning area (COLA)

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Message from your Principal

The recently completed build for Fairvale High meets the needs of our growing community and addresses future directions in education by providing students with flexible teaching and learning spaces.

The provision of seminar and break out rooms enhances the opportunities for flexibility by allowing smaller classes and adaptable learning spaces ensuring collaborative work across the year groups.

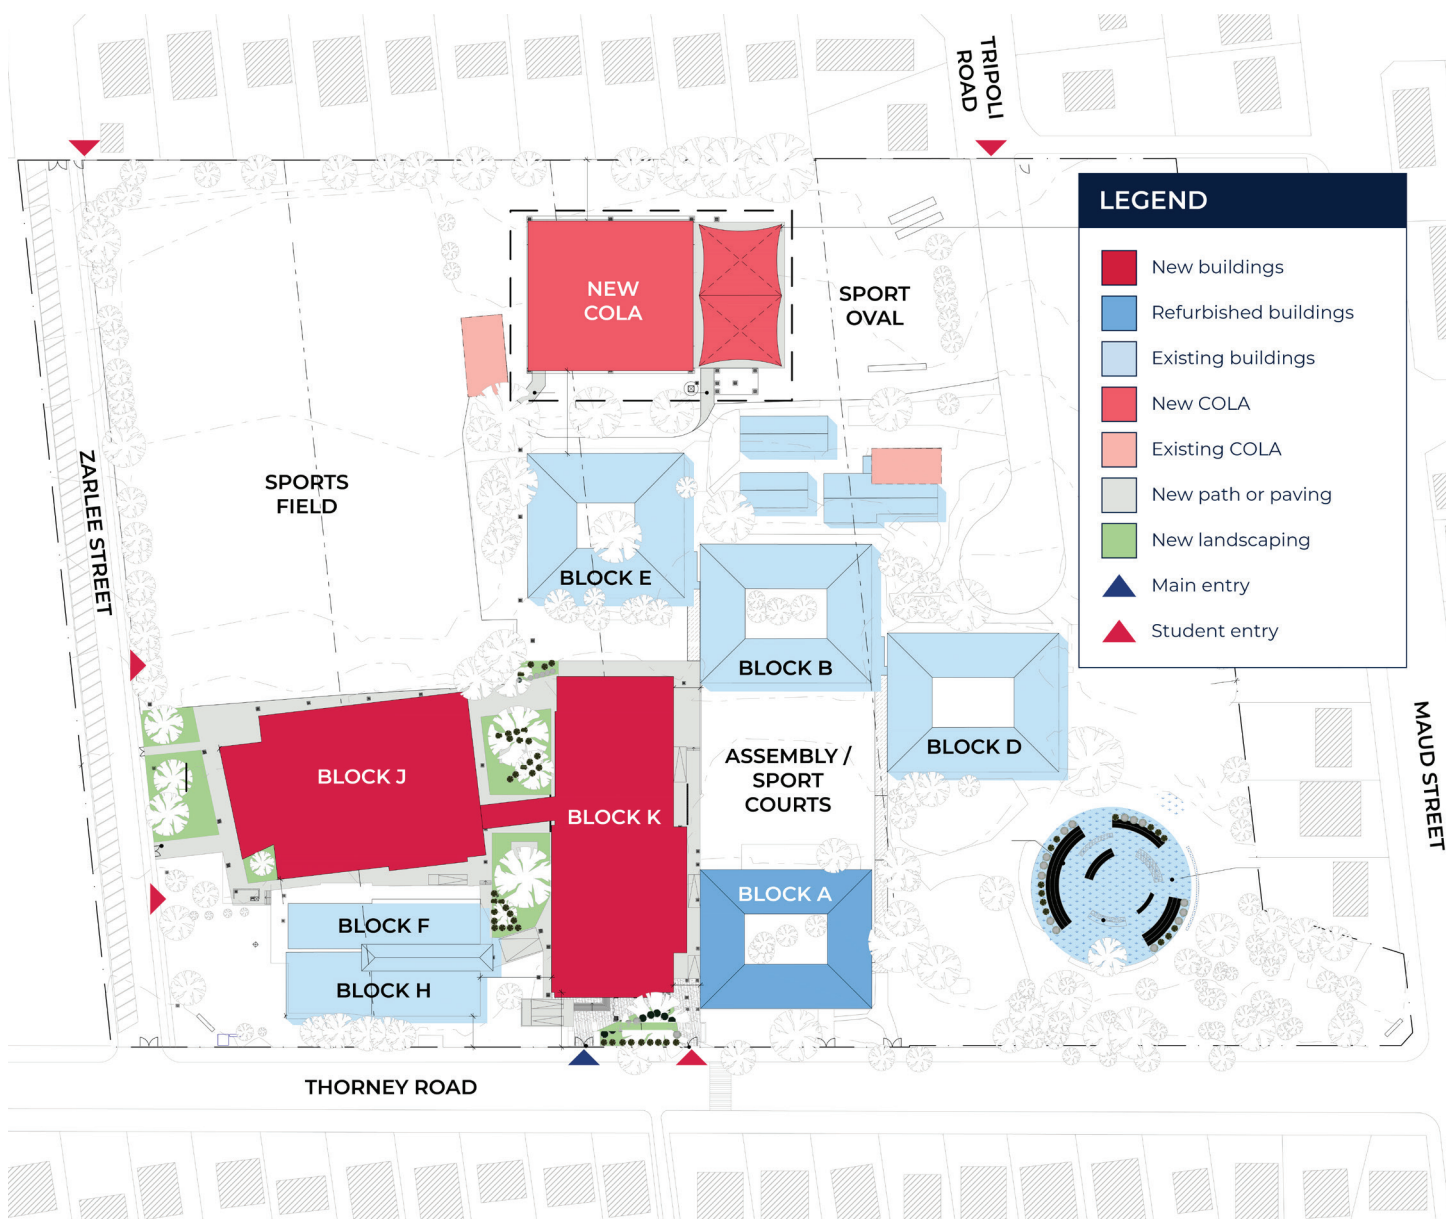

The multipurpose spaces are suitable for strengthening community relations, providing accommodation for parents, and fostering students participating and school spirit through congregation and activity.

Collaborative work rooms and common rooms provide staff with a shared forum to assist in discussion, furthering pedagogy, and personal development.

Kathleen Seto

Principal, Fairvale High School

New school map

Flexible learning spaces

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

Flexible learning space in Block K

Block J multipurpose hall

New food technology facilities in Block K

284 solar panels installed on Block K

Next steps

What is the plan for the binidome?

The binidome is currently undergoing heritage impact assessments. The result of these assessments will be shared as soon as possible.
