

# Forbes Public School

## Flood Recovery Update | 30 January 2023

### Temporary school will be operational for Term 1 2023

Works to have the temporary school within the grounds of Forbes Public School ready for the start of Term 1 2023 will be finished today.

The temporary administration building, learning spaces and staff room are being fitted out, cleaned, and connected to services.

Temporary furniture has been installed in these facilities so teaching can start on Tuesday 31 January 2023. This furniture will be replaced with new chairs, desks, and storage equipment over the coming week.

An additional multipurpose building has been delivered and will be used as temporary staff offices next to the school administration building.

There are concrete pathways for access between the temporary buildings, and fencing installed to close off out of bounds areas between the buildings and around the waste compound.

### Keeping you informed

We look forward to welcoming staff and students back for Term 1 2023.

We will continue to work closely with Forbes Public School and keep the community updated as work begins on the longer-term buildings situated on the original site.

Please contact SINSW with any questions during business hours on 1300 482 651.

Once again, thank you for your patience and understanding as we continue to navigate the flood recovery effort at Forbes Public School.
