

Fort Street Public School

Works notification | 1 March 2023

Sunday works at Fort Street Public School from Sunday 5 March 2023

The Department of Planning and Environment (DPE) have approved a variation to the working hours for the Fort Street Public School upgrade, allowing works to take place on Sundays. The request to allow work on Sundays was made by the project contractor in order to manage delays to the construction program caused by the unprecedented weather events and the continued impact of COVID-19.

The revised construction hours are:

- 7:00am to 7:00pm Monday to Friday,
- 8:00am to 4:00pm Saturday and Sunday.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays, unless otherwise notified.

The Lend Lease Building Site Manager and after hours contact number is 61 438 839 444. General enquiries regarding the Fort Street Public School upgrade should be made to School Infrastructure NSW via the contact details below.

The Fort Street Public School upgrade is due for completion in mid-2023.

The health, safety and well-being of students, staff, neighbours and community is our highest priority. For any queries relating to this work, please contact School Infrastructure NSW using the contact details below.

Thank you for your patience and cooperation during these important works.
