

Fort Street Public School

Works notification | 3 January 2023

A project is underway to upgrade Fort Street Public School to cater for growing enrolments and provide exciting new learning and teaching facilities.

Shutdown of temporary shared pathway from Monday 9 January 2023

The temporary shared pathway to the east of the Fort Street Public School site will be closed for a period in the new year, to allow for services connections. This work is scheduled to start on Monday 9 January 2023 and take approximately 2 weeks.

Traffic controllers and signage will be on site to guide and assist pedestrians at all times. Emergency vehicles will have priority at all times and will not be impacted by the works.

A diversion will be in place for pedestrians and cyclists, see map overleaf. The diversion through Observatory Hill is via Agar Street Steps.

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651. School Infrastructure NSW will be closed from 5pm Friday 23 December 2022 to 9am Monday 9 January 2023, inclusive, in line with the NSW Government shut down period. During this time, if there is an urgent issue please contact the site manager listed on the construction site entry. In an emergency, please call triple zero (000).

Thank you for your patience as we deliver this important project for the Fort Street Public School community.
