

Fort Street Public School

Works notification | 27 October 2023

Upcoming night works

We are writing to inform you of further upcoming night works required as part of the Fort Street Public School upgrade.

Subject to weather conditions, works will take place from 10pm to 5am on the following dates:

- Monday 30 October - Tuesday 31 October
- Tuesday 31 October - Wednesday 1 November
- Wednesday 1 November - Thursday 2 November
- Thursday 2 November - Friday 3 November

These works will include the use of a mobile crane for the installation of fencing to the north of the school adjacent to the Transport for NSW (TfNSW) Bradfield Shed site and survey works to the TfNSW assets.

During these works, traffic management will be in place on Upper Fort St and temporary lighting will be required for some of these works. Measures will be taken to minimise the impact on nearby residents, including noise mitigation measures.

This work is being organised in coordination with TfNSW, which, due to the location, will include shutting the Cahill Expressway to ensure the safety of workers and the public.

Thank you for your patience as we deliver this important project for the Fort Street Public School community.
