

Fort Street Public School

Works notification

July 2021

In line with the NSW Government's COVID-19 Guidelines, construction on Fort Street Public School upgrade will resume from Saturday 31 July 2021.

A comprehensive COVID-19 Safety Plan will be in place for the site and the contractor will enforce strict compliance including no workers from the LGAs of concern with the exception of authorised workers allowed under the Public Health Order. Our construction sites will follow all current health guidelines, including a one person per 4sqm rule and all workers wearing masks for indoor and outdoor work.

From today, Friday 30 July 2021, you may see workers on site carrying out permitted preparatory works to enable work to resume safely.

Construction, including the delivery of materials to and from the site, will only be carried out between 7am and 6pm, Mondays to Fridays inclusive and 8am and 1pm, Saturdays.

The NSW Government has recently passed legislation to allow construction hours to be extended outside of those specified in the development consent conditions (Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order (No 2) 2021) to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays.

Regular updates are published on the School Infrastructure NSW website to communicate the changes on our sites in Greater Sydney in line with NSW Government's COVID-19 Guidelines. To keep up to date, please visit: schoolinfrastructure.nsw.gov.au.

Safety is the number one priority for School Infrastructure NSW and we are following all health advice in relation to construction sites.
