

Fort Street Public School

Works notification

23 September 2020

Investigation works at Fort Street Public School

A project is underway to upgrade Fort Street Public School, which will cater for growing enrolments and provide exciting new spaces for learning and teaching. Staff and students will be relocated to a temporary pop-up school in Wentworth Park while construction is undertaken.

To prepare the Fort Street Public School site for the upgrade, our contractor is planning to complete an investigation of the existing MET building.

The investigation work will take place on Friday 25 September, from 4:30pm to 7:00pm, and Saturday 26 September and Saturday 3 October, from 7:00am to 5:00pm. The works are expected to have low noise impact to the surrounding community.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community, including noise, at every opportunity.

If you have any queries relating to this work, please contact us using the contact information below.
