

# Green Square Public School and Community Spaces

Works notification | May 2023

## Main works construction starting from 8 May 2023

As notified in the [project update for March 2023](#), we will begin the main construction component of the works from 8 May 2023.

The upcoming works will consist of making the ground ready for construction which includes:

- begin structural piling
- digging trenches that will hold the cables that will carry electricity and internet services to the site as well as the pipes that will make up the drainage and water services to the new school and community spaces
- building the footings for the new building which includes pouring concrete inside steel structures built inside trenches throughout the site.

## Managing construction impacts

There will be no changes to the established construction zone as notified in our [works notification shared in August 2022](#).

Construction impacts will continue to be managed in line with the Construction Noise and Vibration Management Sub-Plan (CNVMSP). The Sub-Plan includes strategies such as:

- noise monitoring
- compliance with the 'Construction Hours'
- design considerations to minimise the extent of any rock breaking and excavation into rock
- acoustic shielding where practicable, to minimise noise from the site
- deliveries scheduled outside of Waranara Early Education Centre pick up and drop off times where possible

For more information about how we manage impacts from construction in your community, visit our fact sheet: [www.schoolinfrastructure.nsw.gov.au/construction-impacts.html](http://www.schoolinfrastructure.nsw.gov.au/construction-impacts.html).

For previous works notifications and projects updates about the Green Square Public School and Community Spaces project, please visit the library section of the project webpage at [www.schoolinfrastructure.nsw.gov.au](http://www.schoolinfrastructure.nsw.gov.au).

## Main works construction hours

The approved hours for construction for this stage of the project are between 7am and 6 pm Monday to Fridays and 8 am and 3:30 pm on Saturdays. No work will be carried out on Sundays and public holidays. The community will be notified if any works outside of these hours are required.
