

Green Square Public School and Community Spaces

Works notification | February 2024

A new school is being delivered in Green Square to provide modern fit for purpose education facilities to meet enrolment demand in the area.

Green Square Public School and Community Spaces are being delivered by the NSW Government in collaboration with the City of Sydney.

Extended Working Hours

We are extending our working hours to ensure a timely opening of the Green Square Public School and Community Spaces project. The NSW Department of Planning and Environment (DPE) has approved our application to extend our working hours, and the adjustments have been made in accordance with the amended State Significant Development (SSD) conditions for this project.

Effective from late **February 2024** until late **March 2025**, our working hours will be as follows:

Monday to Friday: 6:30 am to 7:00 pm

Saturdays: 7:00 am to 3:30 pm

Sundays: No work scheduled

Please note that work will continue on site throughout the school holiday period. However, no work will take place on Sundays or public holidays unless otherwise notified.

We will ensure all activities are conducted in compliance with our approved construction noise management plan to minimise any inconvenience to the surrounding community.

We appreciate your patience and understanding as we complete these essential works efficiently and with minimal disruption.

Staying informed

School Infrastructure NSW will continue to share updates as the project progresses.
