

Galungara Public School

Works notification

27 May 2022

Stage 2 of the Galungara Public School project is underway to deliver additional fit-for-purposes learning spaces to support the growing population in the local area.

Stage 1 of the Galungara Public School was completed in 2021.

Vehicle access movements on Friday, 3 June and Monday, 6 June 2022

As part of these works on Friday 3 June and Monday 6 June, from 7am to 5pm, heavy vehicles will be accessing the work site from Farmland Drive to deliver concrete for the project. Deliveries will occur approximately every 10 minutes during this time period.

Traffic management is required to facilitate the pouring of concrete slabs.

- Traffic control will be in place on Farmland Drive, at the entry to the Stage 2 site, to manage concrete deliveries.
- Access to residential properties will be maintained under traffic control.
- For the safety of students, the local community and workers, road users are advised to obey directions and allow extra time for travel.
- Deliveries will be scheduled outside of peak pick up and drop off times, where possible.

Please note, these works are subject to change dependent upon weather. We will provide further notification if the work and traffic management need to be rescheduled.

Working hours

Traffic control will be in place from 7am on Friday, 3 June and Monday, 6 June, from 7am, with concrete pour work to take place from 7am to 5pm.

Standard project working hours are 7am to 5pm, Monday to Friday and 8am to 1pm Saturday. No work will take place on Sundays or public holidays.

Thank you for your patience while we deliver this important school infrastructure.
