

# Galungara Public School

## Works notification

6 November 2020

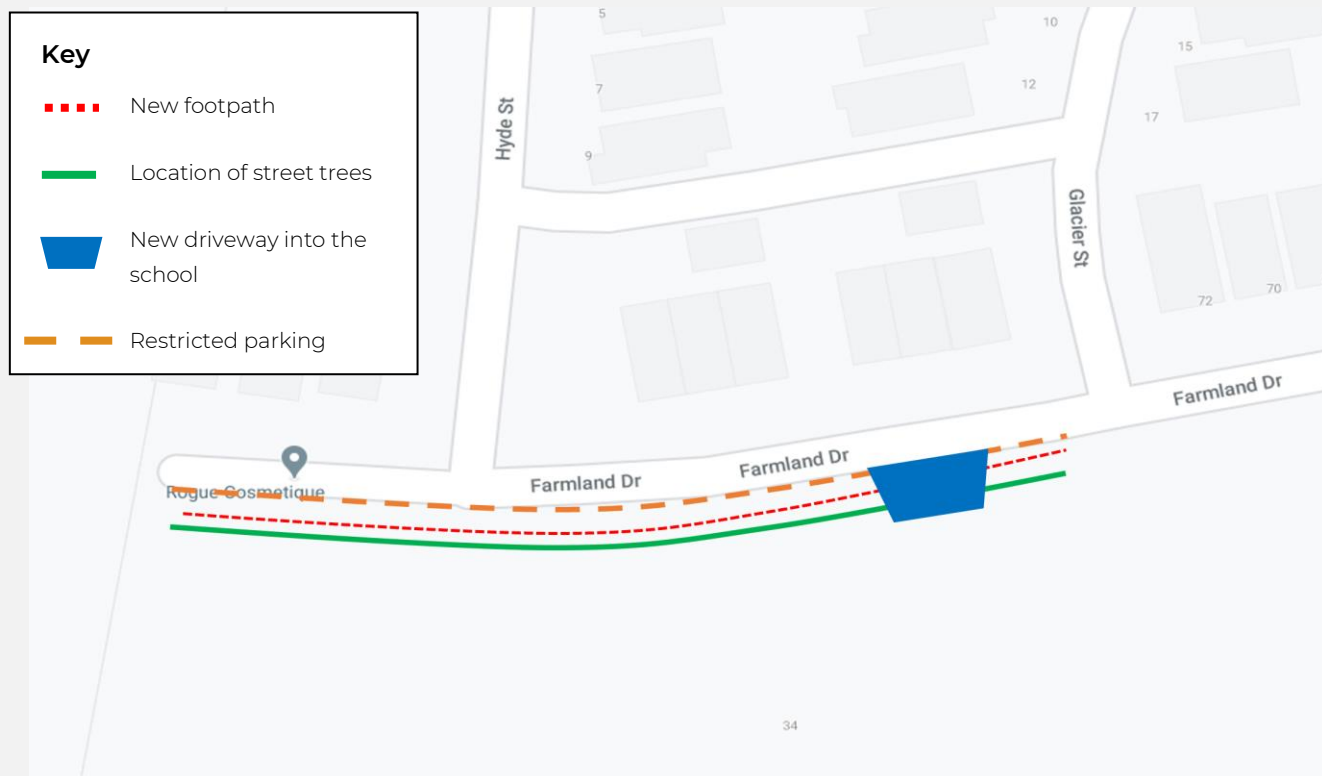

A project is underway to deliver Galungara Public School, a new primary school on Farmland Drive for the Alex Avenue community in Schofields. The school will include 19 flexible learning spaces, a library, hall, canteen and covered outdoor learning area.

### Public domain works starting on 12 November 2020

Main construction work on the new primary school is progressing. We will soon begin public domain works along Farmland Drive to improve the streetscape. This will include construction of a new driveway into the school, installation of street trees and construction of a concrete footpath along Farmland Drive.

Work is scheduled to occur over a four-week period from 12 November to 10 December 2020, weather permitting. Work will take place during construction hours of 7:00am to 6:00pm Monday to Friday, and 8:00am to 1:00pm on Saturdays and Sundays.

Traffic and pedestrian controls will be in place throughout the work to ensure that the footpath, driveway and street trees can be installed safely. Parking on Farmland Drive will be restricted during the delivery of the public domain works. Please see the map below for the location of the work and restricted parking areas.

## Keeping you updated

Thank you for your understanding during this important work. We welcome any enquiries regarding work at Galungara Public School.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
