

# Gillieston Public School

Information Pack – September 2024

Concept design view from Gillieston Road (subject to change)

## Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$8.9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education. The upgrade will include:

	New modern classrooms		3 support classrooms		New large modern preschool
	New administration and upgrade to site services		New hall with canteen and out-of-school-hours		Covered outdoor learning area
	New library		Outdoor spaces/sports areas		Upgraded kiss and drop, bus bay
	covered bike parking and staff carparking		Landscaping, yarning circle, and covered walkways		Lift accessibility

A new public preschool will also be built at the school as part of the NSW Government commitment to expand access to early childhood education. The preschool will be separated from the primary school areas and will have its own entry, parking and secure outdoor area with play equipment.

Construction will be coordinated to ensure the current school remains operational and enable teaching and learning to continue onsite.

## Artist impressions (indicative only)

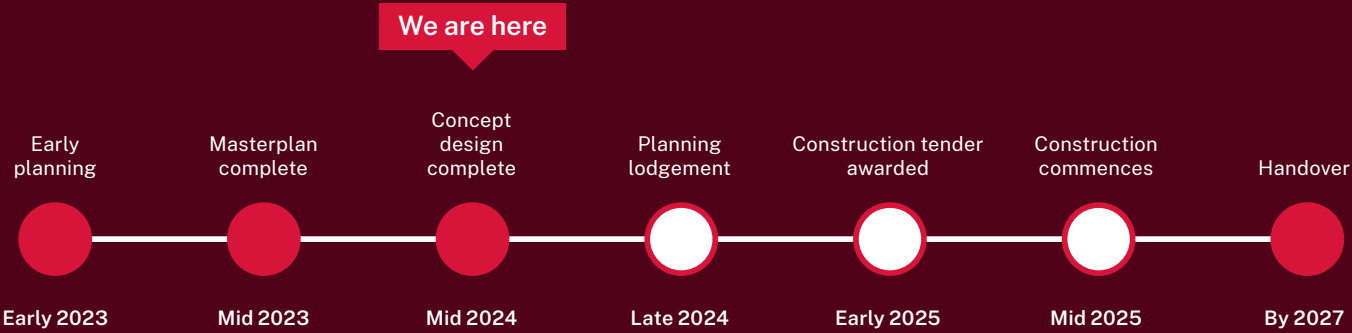

# Proposed site concept plan

# Legend

	Classrooms		Hall, canteen and OOSH		Sports court
	COLA		Existing heritage building		Parking
	Preschool		40 student yarning circle		Kiss and drop
	<b>Ground floor</b> - Administration		Ecological play		Bus bay
	<b>Levels 1 and 2</b> - Classrooms		Open play		
	Library hub				

## Indicative timeline

The timeline is indicative subject to awarding of the construction tender and planning approval.

## Have your say – Social Impact Assessment

As part of the statutory planning process for the Gillieston Public School redevelopment, we will prepare a Social Impact Assessment (SIA). The SIA will identify how the redevelopment is likely to impact people and communities.

By identifying these impacts, we can put measures in place to manage potential adverse impacts and maximise the benefits.

For an opportunity to comment on the project, please participate in our SIA survey before midnight on Monday 23 September 2024 by scanning the QR code or visit [edu.nsw.link/Gillieston-Survey](https://edu.nsw.link/Gillieston-Survey).

## Managing construction impacts

We will work with the contractor to manage impacts on the local community, and in close consultation with Gillieston Public School leadership to ensure that school operations continue with minimal disruption.

For more information about how we manage construction impacts on our projects, please visit [edu.nsw.link/ConstructionImpacts](https://edu.nsw.link/ConstructionImpacts) or scan the QR code.

## More information

More information about the project can be found at [edu.nsw.link\\_Gillieston-PS](https://edu.nsw.link_Gillieston-PS) or by scanning the QR code.

If you have any questions about this project, you can also contact School Infrastructure NSW during business hours on the contact details below.

You can also register to receive project updates, works notifications and other communications emailed directly by completing the contact form [edu.nsw.link/GilliestonPS-SignUp](https://edu.nsw.link/GilliestonPS-SignUp).
