

Gledswood Hills High School

Works notification | 11 July 2025

As part of the NSW Government's plan to rebuild essential services, a project is underway for the new Gledswood Hills High School permanent facilities. This project will provide modern and specialist support classrooms, a multipurpose hall, specialist workshops, sport courts, a playing field, a covered outdoor learning area (COLA), a library, canteen and administration facilities for up to 1,000 students.

Site establishment works from 16 July 2025

To prepare for major construction works for the new Gledswood Hills High School permanent facilities, site establishment will take place during the school holidays from Wednesday 16 July to Friday 29 Aug 2025.

Site establishment will include:

- surveying the site
- further geotechnical investigations
- installation of plywood hoarding around parts of the site perimeter
- installation of banner mesh around the site perimeter
- establishment of site entry gates and paths to permit contractor and construction vehicle entry through Gregory Hills Drive and Digitaria Drive.
- installation of site offices.

All construction vehicles will access the site via gates on Gregory Hills Drive and Digitaria Drive. There will be no street or footpath closures during the above work. Traffic control will be in place when trucks are entering and exiting the school site. Please see a map on the next page for further details.

Working hours

The work will take place between 7 am and 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays.

Managing construction impacts

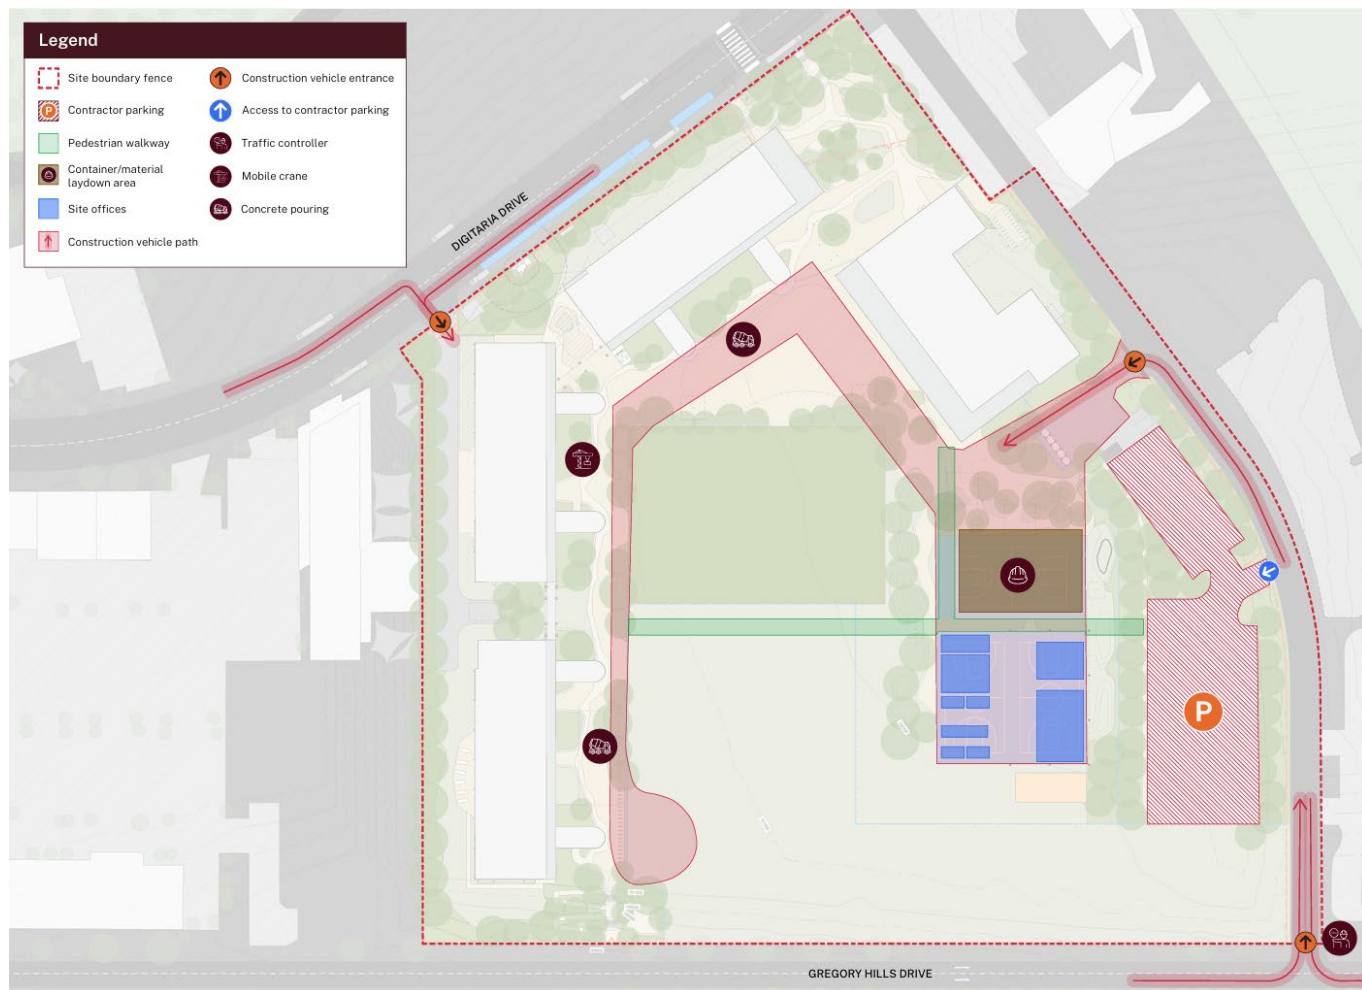

Construction can be disruptive, and we thank you for your patience while we complete this important high school project. We work closely with the construction contractor throughout the project to manage impacts on the local community.

For more information about how we manage construction impacts on our projects, please scan the QR code or visit edu.nsw.link/ConstructionImpacts.
