

Frequently asked questions

When will the principal be appointed?

Selection process will be undertaken to appoint a principal for Gledswood Hills new primary school. This will be will be overseen by a recruitment panel and the community will be informed once the new principal is appointed.

Can I enrol in the new school if I don't live in the catchment?

The same process will be followed as for other NSW public schools. Requests for out-of-area enrolments will be managed in accordance with the Department's policy, which can be found at <https://education.nsw.gov.au/public-schools/going-to-a-public-school/enrolment/primary-school-enrolment>

What happens if I currently have a child enrolled in my previous in-area school and I want to enrol another child in the same school which is now deemed out-of-area?

There will be a transition period of three years during which students will be able to enrol in the current in-area school, if there is a sibling enrolled in that school and this is the wish of the student's parent or guardian. After the three year transition period such enrolments will be considered as 'out-of-area' with requests managed in line with the Department's policy and each school's enrolment policy.

How were the catchments determined?

The catchment was determined through consultation with primary and high school principals and demographers who analysed projected enrolments in the inner Sydney area

How will the P&C start?

Once the student cohort is established, planning will begin for the school's P&C committee.

How will the school logo, uniform and motto be decided?

Following the appointment of the new school Principal, consultation will begin for the development of the school logo, school colours, school uniform and school motto. Parents/carers and students will be encouraged to participate in this exciting phase of the school's development.

How can I enrol my child in before and after school care services?

Further information on the OOSHC enrolment process will be provided upon the appointment of the principal to Gledswood Hills new primary school.

How to enrol

The Gledswood Hills new primary school will be accepting enrolments for K-6 that will begin from the 2020 school year.

Enrolments will be undertaken in accordance with the NSW Department of Education's guidelines. A student is able to enrol at Gledswood Hills new primary school if their permanent and principle place of residence is located within the school's designated catchment area.

Applications for enrolment can be forwarded to Campbelltown Education Office Cnr Lindesay and Lithgow Streets Campbelltown or email to regionalsouthcampbelltown@Det.nsw.edu.au any enquiries can be directed to Alison Millott at **4633 2700**.

Special Program rooms

Investing in our schools

Project overview

The NSW Government is investing \$6 billion over the next four years to deliver more than 170 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over four years. This is the largest investment in public education infrastructure in the history of NSW.

Project update

Construction is progressing well and it is expected that all floor slabs will be poured by the end of May. This will be followed by the construction of the roof structure.

Gledswood Hills new primary school is being built to cater to current and anticipated enrolment growth in the area. Upon completion in early 2020 this project will deliver:

- 24 new flexible learning spaces, catering for up to 600 primary school students
- a library
- a hall
- before and after school care facilities
- special program rooms.

School catchment

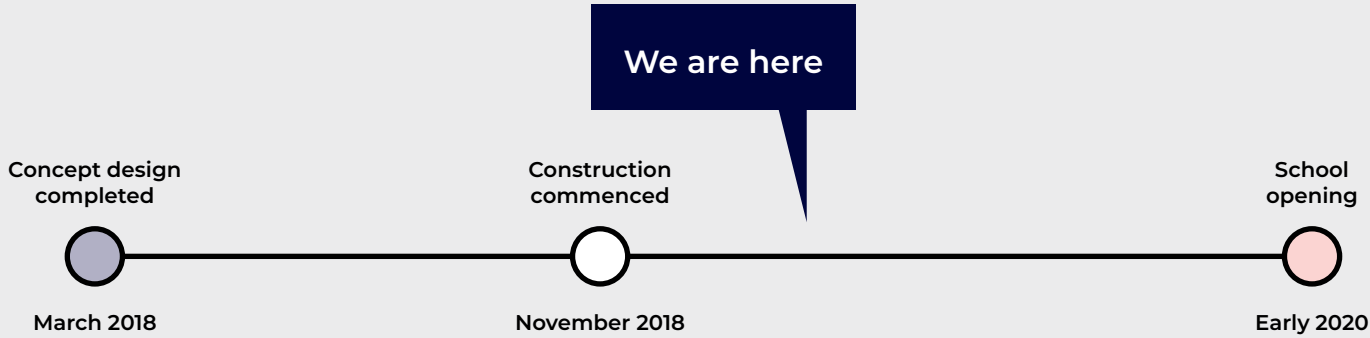

Using demographic advice regarding projected enrolments and following consultation with local primary and high school principals, the catchment for Gledswood Hills new primary school has been confirmed by the NSW Department of Education.

The department’s standard process for enrolments in public schools will apply for K-6 enrolments into Gledswood Hills new primary school for 2020. Refer to the map below for the catchment boundaries.

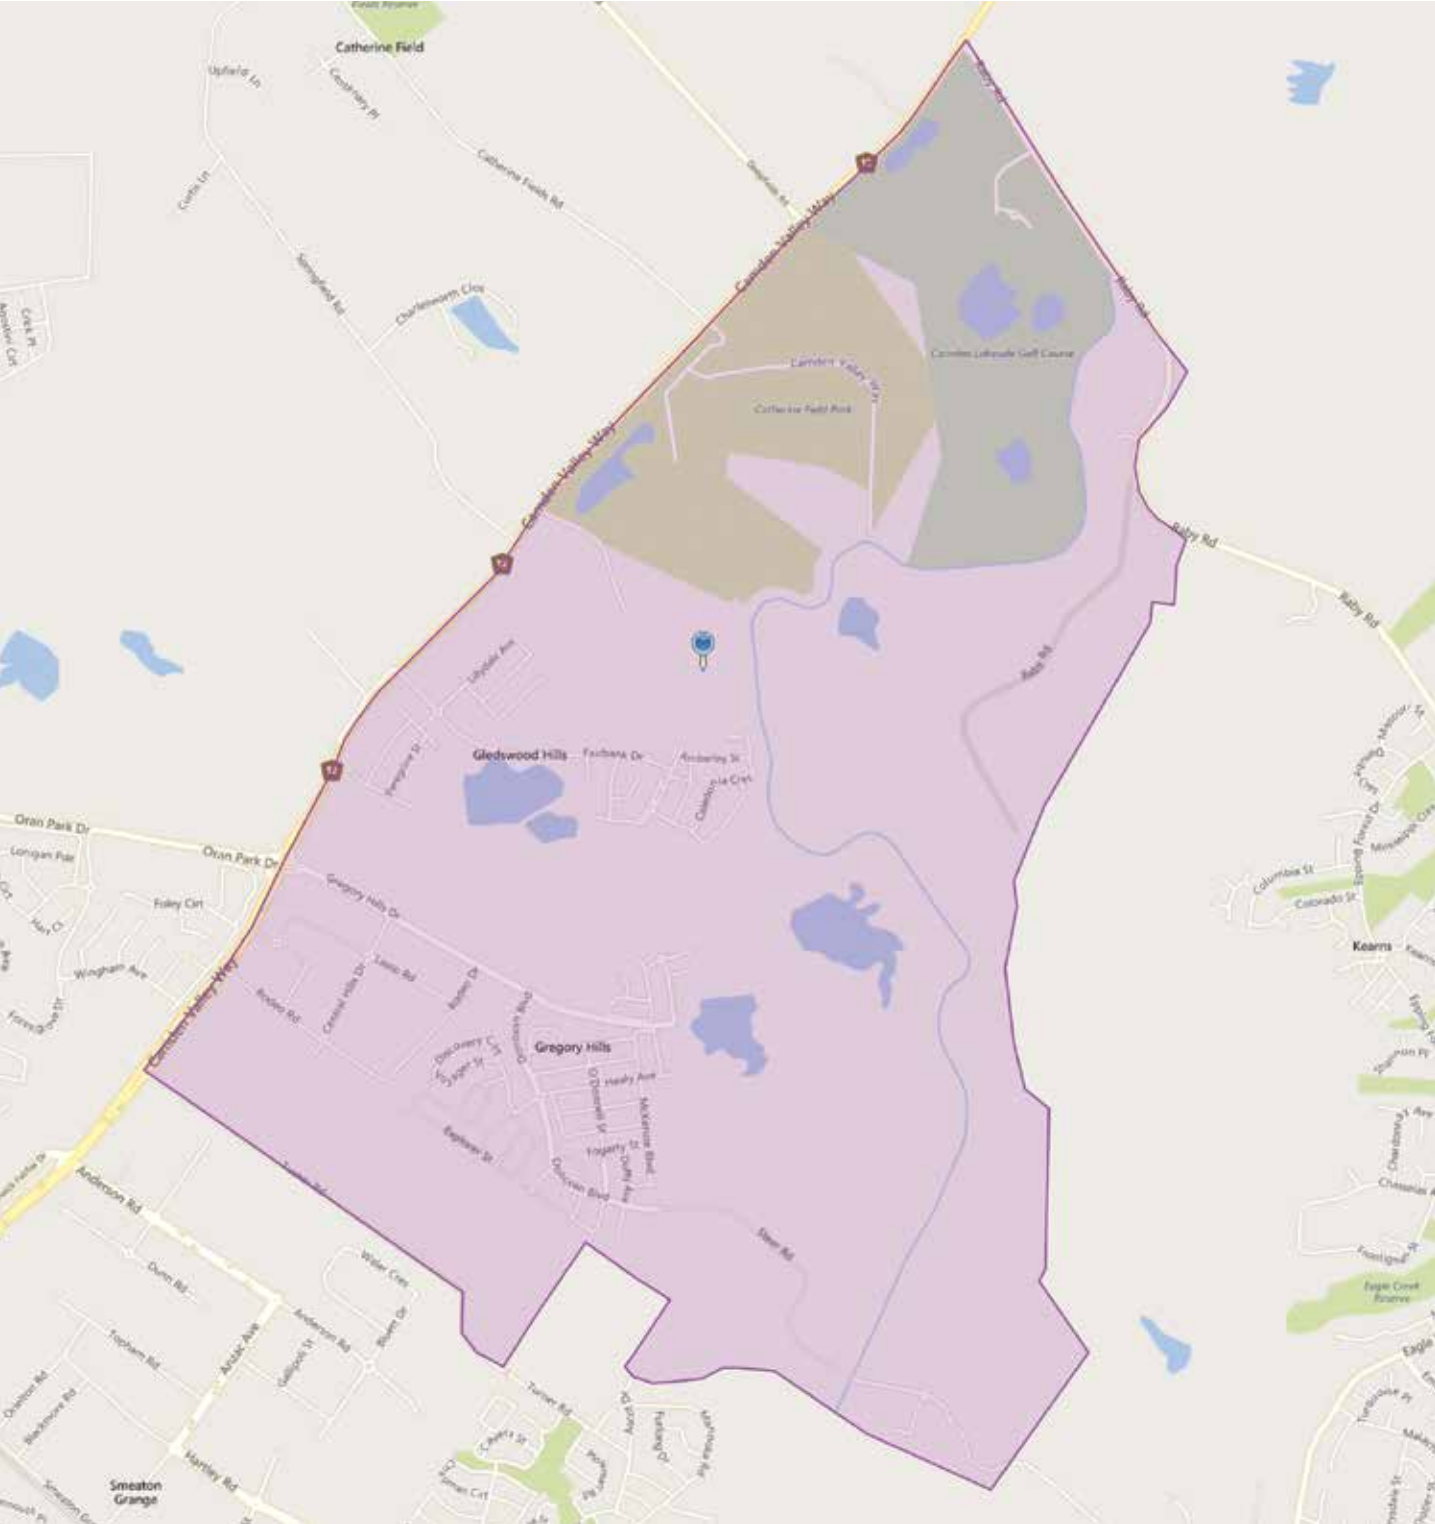

For a closer look at the catchment go to the website at: <https://www.schoolinfrastructure.nsw.gov.au/projects/g/gledswood-hills-new-primary-school.html>

As per regular departmental practice, the boundaries will be reviewed from time to time.
