

# Greystanes Public School

## Welcome pack

Greystanes Public School – Building M North and South

## Welcome to your school

We're excited that the upgrade of Greystanes Public School is finished and ready for you to use. The upgrade includes:

**24** new permanent teaching spaces

A new multipurpose space

Covered outdoor learning area (COLA)

A new administration building

Thank you for your patience during construction. We are excited to deliver this project for the school community.

# Message from your Principal

The staff and students at Greystanes Public School are thrilled to be moving into our new flexible classrooms that feature the latest in technology and modern design. The new learning environments have been purpose built to enable contemporary learning pedagogy and collaborative teaching practices that support students to thrive in a rapidly changing and interconnected world.

The flexibility of these spaces will allow teachers to design learning experiences that are inclusive, engaging, authentic and connected. Supported by research on best practice in education, learning in our new spaces will support students to develop the skills, capabilities and characteristics that will enable students to flourish. The strategically planned landscaping provides a number of additional outdoor learning and play spaces to motivate and inspire learners.

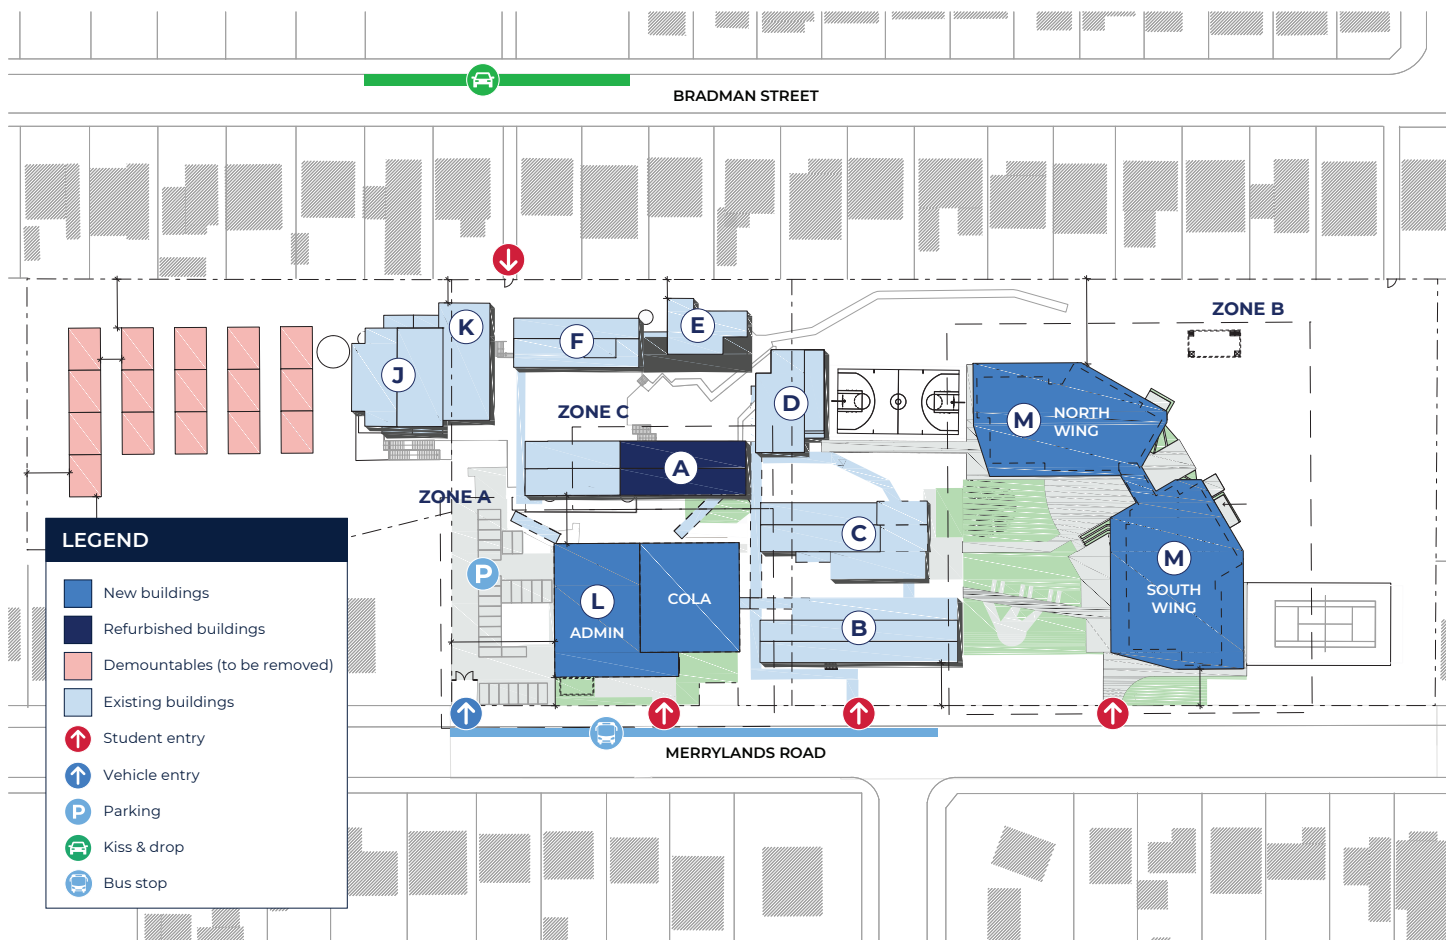

The delivery of our new classrooms follows the handover of the new administration block and refurbished multipurpose learning space in 2021.

Our new and refurbished school buildings bring enhanced opportunity for collaboration, innovation and creativity. We look forward to using the new spaces to continue our delivery of innovation and excellence in education.

**Maria Dichiera**

**Principal, Greystanes Public School**

## New school map

# Flexible learning spaces

---

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement.

The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

## Frequently asked questions

---

### **Which classes are being relocated?**

Years 1-6 will move into the new permanent teaching spaces in Building M. Kindergarten classes will remain in their current building, Building B.

### **Will the school entrances remain the same?**

Yes, all exit and entrance locations remain the same at Merrylands Road and Bradman Street.

### **Will the location of parking, staff parking or the bus stop remain the same?**

Yes, all parking and bus stop locations remain the same on Merrylands Road and Bradman Street.

### **Will there be any changes to the Out of School Hours Care (OSHC)?**

No, the location, hours and provider for the OSHC remain the same. The OSHC will continue to operate in the school hall. The hours are from 7:00 am until 8:55 am in the morning and from 2:55 pm until 6:00 pm in the afternoon. The OSHC provider Greystanes Uniting Church Child Care can be contacted on 02 9636 3246.

### **How is the new multipurpose space being used?**

Building A is a multipurpose space – during school hours it is being used as a teaching space, where multiple classes can join together. Outside of school-hours it will be used for professional learning, parent meetings and the like.

### **When will the parents be able to view the new facilities?**

The school is planning opportunities for parents to view the new facilities as soon as possible. Details will be provided by the school.

### **When will the demountables be removed?**

Demountable classrooms will be removed after all classes have moved into the new learning spaces. This is anticipated to be in early 2022.
