# Thank you

from Gulyangarri Public School | February 2024

## To our community

Thank you for your patience while we delivered Gulyangarri Public School. Construction is now complete and students and staff are now using their new facilities.

Your support and cooperation have made it possible for us to deliver this new school for students and their families.

Wishing you all the best,

**School Infrastructure NSW and Gulyangarri Public School**

New modern classrooms

Special education classroom

## New facilities

We are delighted to deliver Gulyangarri Public School for the Liverpool community.

The upgrade includes:

- 20 classrooms
- 4 special education classrooms
- 4 special programs rooms
- a hall, library and covered outdoor learning area (COLA).

The NSW Government has committed to building 100 new public preschools, including at Gulyangarri Public School, to boost access to preschool across the state.

It is anticipated the new preschool will be the first of the 100 public preschools to open, pending building and regulatory approvals. The preschool will be situated in Building Y on the western side of the site and include two rooms. More details about the operation of the preschool, including how to enrol, will be shared as it becomes available.
