

Hastings Secondary College

Works notification

22 April 2022

We are upgrading Hastings Secondary College to support the student community. The upgrade will involve work at both the Port Macquarie Campus (PMC) and the Westport Campus (WPC).

Works are continuing on Stages 1 and 2 of the upgrade at Port Macquarie Campus, which includes a new Technological and Applied Studies (TAS) building, refurbished Building T, Creative and Performing Arts (CAPA) building, refurbishment of the building, Buildings L and B and a redeveloped school entry.

Stage 1 works at WPC are underway, which will deliver refurbishments to Building L.

Works continuing

Due to wet weather during the school holidays, remediation activities at Port Macquarie Campus and Westport Campus notified 13 and 14 April will now be completed during Term 2, outside of school hours.

We are here to make sure that the works are completed safely and efficiently, and we will minimise impacts on the community at every opportunity.

Thank you for your patience while we deliver this important school infrastructure.
