

Hastings Secondary College

Port Macquarie Campus

Works notification

15 June 2022

We are upgrading Hastings Secondary College to support the student community. The upgrade will involve work at both the Port Macquarie Campus and the Westport Campus.

Works are continuing on Stages 1 and 2 of the upgrade at Port Macquarie Campus, which includes a new Technological and Applied Studies (TAS) building, refurbished Building T, Creative and Performing Arts (CAPA) building, refurbishment of the building, Buildings L and B and a redeveloped school entry.

Temporary power line installed

Further to our notification 23 May 2022, a temporary power line has now been installed to power the multipurpose hall when in use. This means the generator is no longer required and it has been removed from site.

We thank the school and neighbours for their patience during these works and while the school's power supply is restored.

If you have questions or feedback about this, please contact School Infrastructure NSW via email on schoolinfrastructure@det.nsw.edu.au or phone 1300 482 651.
