

Project overview

We are upgrading Hastings Secondary College to support the student community. Hastings Secondary College comprises of the Port Macquarie Campus (PMC) and Westport Campus (WPC). The upgrade will involve work at both campuses and is being staged to ensure the school remains operational during construction and to minimise disruption to learning.

Port Macquarie Campus features:

-  14 new or upgraded flexible learning spaces
-  5 supported learning spaces
-  New Technological and Applied Sciences (TAS) facilities
-  New Creative and Performing Arts (CAPA) building
-  Increased student accessibility with 3 lifts installed
-  Redeveloped school entry
-  A shared use, multi-sports facility (in partnership with PCYC NSW)

Westport Campus features:

-  Relocated and upgraded administration office
-  3 flexible learning spaces
-  Redeveloped school entry

Port Macquarie Campus

Stage 1 and Stage 2

Stage 1 of the upgrade at Port Macquarie Campus is construction of a new Technical and Applied Sciences (TAS) building, reconstruction of Building T and increased open landscaped areas with accessibility to areas within the campus.

Stage 2 includes the new Creative and Performing Arts (CAPA) building, refurbishment of Block L and Block B, external works and a new school entrance.

The map to the right shows Stage 1 and Stage 2, and their expected completion dates, at Port Macquarie Campus.

Port Macquarie Campus

Stage 3

Stage 3 is a new shared use multi-sports facility in partnership with Police Citizens Youth Clubs NSW (PCYC).

It will include 2 multi-purpose sports courts, gymnastics facilities, mezzanine level with multipurpose rooms and gym and PCYC Police office, youth hub, admin, staff, and kitchen facilities.

The facility will also include the Clontarf Academy, with meeting and kitchen facilities and below ground car parking.

There will be two entrances, one within Port Macquarie Campus for staff and students and one entrance for the general public.

Westport Campus

Stage 1 and Stage 2

Stage 1 of the upgrade at Westport Campus will include refurbishment of Building L into a new administration facility at the front of the school, an upgraded school entry, covered walkways and associated landscaping works.

Stage 2 will deliver refurbishment of Building A into two general learning spaces, one shared learning area and one seminar room.

The map to the right shows Stage 1 and Stage 2, and their expected completion dates, at Westport Campus.

Progress summary and next steps

Construction works are ongoing at both campuses. Construction on the new TAS building at Port Macquarie Campus is anticipated to be finished in late 2022.

A contract has been awarded for the Port Macquarie Campus – Stage 3 works. The contractor will prepare detailed construction drawings and a construction program, prior to starting construction works later this year.
