# Hastings Secondary College upgrade - Westport Campus

Day 1 Term 2 Welcome Pack | April 2023

## Welcome to your new facilities

We are excited to welcome the school community to Day 1 Term 2 2023 with the upgraded administration spaces and new school entry now open and ready to use.

We are upgrading Hastings Secondary College to support the student community. The upgrade involves work at both campuses, Westport Campus and Port Macquarie Campus.

Thank you for your patience during these works. We are thrilled to have finished this part of the upgrade for the school community.

I'm so pleased that the upgraded administration spaces and new school entry at Westport Campus are now finished, and ready for our school community to use.

We've had a great start to 2023 with the new Technical and Applied Sciences (TAS) building being used at Port Macquarie Campus, and that now continues from Term 2 with part of the upgrade at Westport Campus being finished.

We are proud of the upgraded facilities that have been finished at Westport Campus. This includes the repurposing of Building L into administration spaces for our staff to work from in beautiful, upgraded and refurbished areas. I've no doubt this will improve their day to day working life and productivity, and is a great benefit to the Hastings Secondary College.

I'm also so pleased the new school entry is now finished, providing a new welcoming face to the Westport Campus.

We look forward to the rest of 2023 as the work on Building A progresses at Westport Campus to provide new flexible learning spaces, and thank the community for their patience during this work.
