

Hastings Secondary College

Port Macquarie Campus

Day 1 Term 1 Welcome Pack | January 2023

Welcome to your school

We are excited to welcome you to 2023 with new facilities now open at the Port Macquarie Campus. Building will continue for the Hastings Secondary College upgrade at the Port Macquarie Campus and Westport Campus, with the overall upgrade project expected to be finished in late 2023.

Port Macquarie Campus sees the completion of the new Technical & Applied Sciences (TAS) Building which will support students learning in all areas of TAS.

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

New TAS Building

Message from your Principal

It is with great honour to welcome you to the 2023 teaching year at Hastings Secondary College.

While building works will continue on both Port Macquarie and Westport campuses through 2023, we are excited about the next chapter in our school history with the opening of spaces on the Westport Campus to start the school year.

We are proud of the upgraded facilities we now have for our students that enables flexible, technology-rich, knowledge-building learning. These upgraded facilities will serve us well as our students continue to inspire, achieve and succeed in their learning journey.

As a dynamic school community, we are committed to delivering quality learning experiences in a nurturing environment where all students, as well as teachers, have the opportunity to fulfil their potential.

While 2023 will see further upgrades across both campuses, our teaching and support staff are excited about the potential of the new learning spaces for their students. I'd like to thank our community – students, staff, parents and local residents – for their patience during ongoing construction, I know the final product will be worth the wait.

Frequently asked questions

When will the new TAS facilities be available for use?

The new facilities will be available for all students in years 7 to 12 studying mandatory and elective TAS subjects from Day 1 Term 1 2023.

When will the Hastings Secondary College upgrade (Westport and Port Macquarie Campuses) be finished?

We are expecting to see more areas included in the upgrade finalised throughout 2023, and these will be handed over to the school once they are finished. The entire Hastings Secondary College upgrade project to both campuses is expected to be finished in late 2023.

Who can I contact for more information?
