

Westport Campus new entrance

# Hastings Secondary College Westport Campus

Welcome pack | October 2023

## Welcome to your school

The upgrades to Hastings Secondary College Westport Campus are now completed and we can celebrate these new areas of the school available for students and staff for Day 1 Term 4 2023.

All new facilities are now ready for students and staff to use.

The new facilities at Westport Campus are:

Relocated  
and upgraded  
administration office

Redeveloped  
school entry

4 modern  
classrooms

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

# Message from the College Principal

---

We are excited to announce the completion of the re-development of Block A, which is the final piece of the puzzle for our construction works at Westport Campus.

We understand that works have been in place around the school for some time, and the impact this has had on our school community, and we thank you so very much for your patience to see these new and improved school areas completed.

These works on Block A will allow students and staff access to brand new flexible learning spaces.

This work on Block A comes off the back of works completed earlier in the year which allowed Westport Campus students and staff to enjoy a new upgraded administration area. This has been extremely well received by students and staff, as well as visitors and guests to Westport Campus.

As we celebrate the completion of these works on Westport Campus, we now shift our focus to the works taking place at our Port Macquarie Campus. We look forward to having both campuses providing state of the art facilities, and full access to all school areas to ensure students continue to learn, and enjoy their time across the College.
