

# Hastings Secondary College – Port Macquarie Campus

## Works notification | 21 August 2024

We are upgrading Hastings Secondary College to support the student community. Work has recently been completed at the Westport Campus and work is continuing at the Port Macquarie Campus.

### Roof replacement and remediation works

As part of planned maintenance works at Hastings Secondary College - Port Macquarie Campus, we will be undertaking work to replace Building B's roof.

The roof replacement works will involve removing suspected asbestos containing material in the eave sheeting.

To ensure the safety of the school community, the works will take place outside of school hours on Saturday 24 and Sunday 25 August 2024 between 7 am and 5 pm.

We are following all the advice and protocols of independent asbestos hygienists and other experts.

All work will be done in accordance with work, health and safety laws, and the site-specific Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The building will be inspected by the independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the building is reopened.

For more information about asbestos, visit the NSW Health website:  
[health.nsw.gov.au/environment/factsheets](https://health.nsw.gov.au/environment/factsheets)

The health, safety, and wellbeing of the school and local community is our highest priority. We will keep the community updated.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your cooperation during this important work.
