Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$1.4 billion for new and upgraded schools in regional NSW. This targeted investment will ensure growing communities get access to a world-class public education.

Project overview

We are upgrading Hastings Secondary College to support the student community. The upgrade will enhance educational delivery at the Port Macquarie and Westport campuses, streamline and strengthen transition and pathway options for students and their community, and provide the latest modern classrooms.

All upgrade works at the Westport campus have been completed along with the new multi-sport facility, delivered in partnership with the PCYC, at the Port Macquarie Campus. Work is continuing on the upgrade at the Port Macquarie campus.

Progress summary – Port Macquarie campus

Work on building T has recently been completed, and the building has been handed over to the school to prepare for use for day one term one 2025.

Works are continuing on buildings B and L in preparation for completion in mid-2025. Internal framing and electrical rough-in in Building B, and underground services in Building L have been completed.

External framing and sheeting works are starting on Building L, as well as a concrete pour for Building L bathrooms. Completion of the upgrade works to buildings B and L are likely to be in mid-2025.
