

New school entry and new CAPA building

Hastings Secondary College upgrade – Port Macquarie Campus

Welcome Pack | February 2024

Welcome to your upgraded school

We're excited that the new school entry and the new Creative and Performing Arts (CAPA) building are ready for students and staff to use. The 2-storey CAPA building includes:

Spaces for music

Spaces for visual and performing arts

Spaces for drama

Changing facilities

Lift access

Thank you for your continued patience and understanding during construction.

The new CAPA building at the Port Macquarie campus

Message from your Principal

I'm very pleased to welcome students to our new facilities for the start of the 2024 school year. We're excited to announce the opening of our new Creative and Performing Arts (CAPA) building.

The CAPA building will establish a creative learning hub by providing contemporary spaces for performing arts, workshops, and rehearsals. It's a multipurpose facility for our students to engage in drama, music, dance, and much more. I'm confident students will enjoy and make full use of the new space.

The CAPA building is located to the left of our upgraded school entry, which is also now open for use.

I would like to thank all our staff, students, and parents, who have all been very patient and understanding during the construction period. We understand the impacts construction can have on the school community. The ongoing support of your school is truly appreciated.

The new facilities are a welcomed addition to our school. We look forward to the completion of all works at the Port Macquarie Campus.

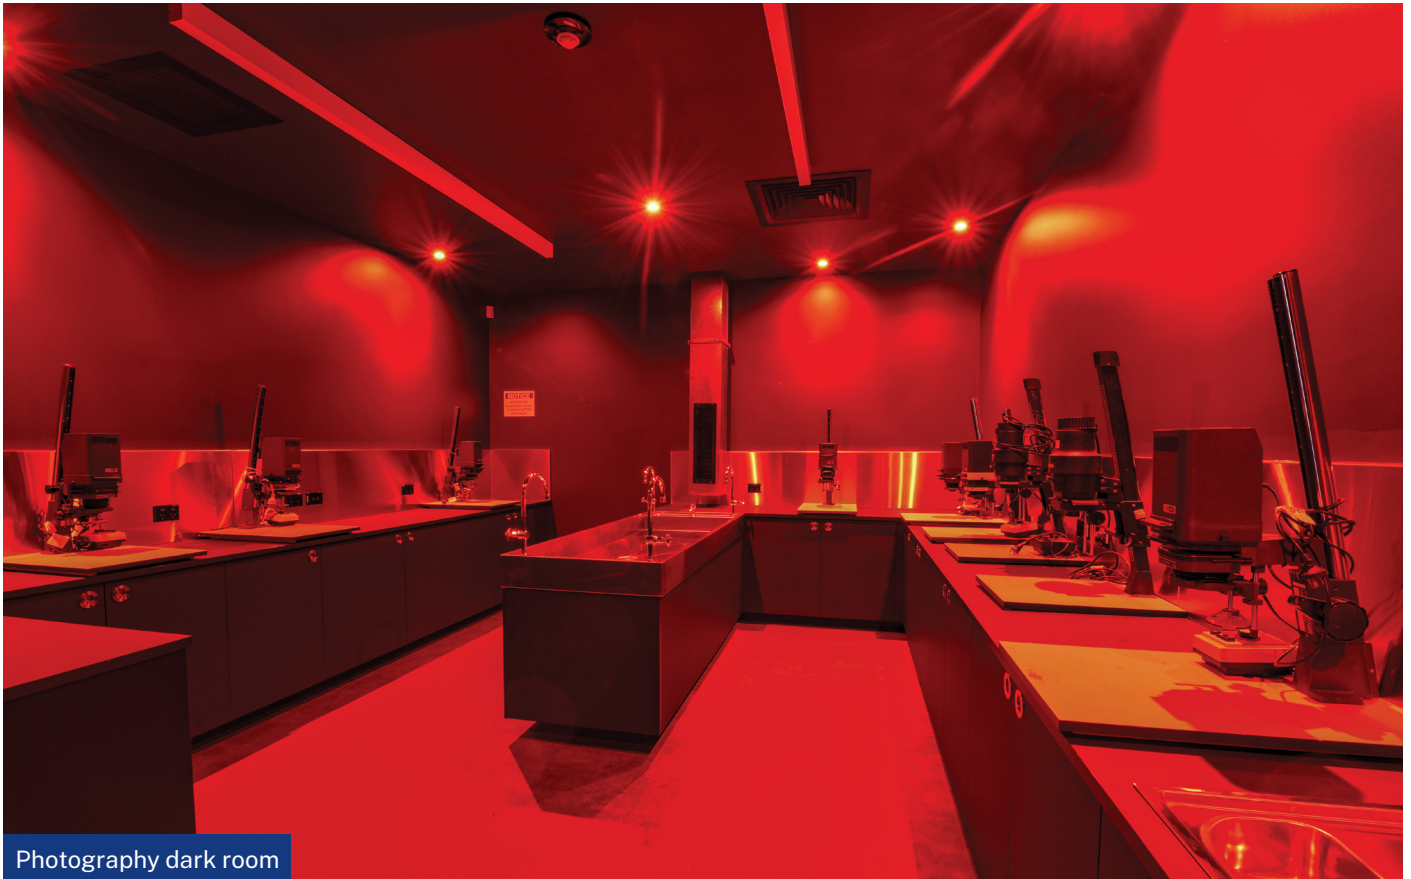

Kristen Miller

School Principal
Port Macquarie Campus

Our Record Investment

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.

In addition to this major project, we are upgrading schools across regional NSW.

Overview

The Port Macquarie Campus upgrade is being delivered in stages.

Completed facilities include:

- A new TAS building.
- Associated landscaping, including TAS forecourt.
- North South Link – a new two storey walkway connecting the centre of the school and providing accessible access between Block A and Block L.

Opening on Day 1 Term 1 2024:

- A new double storey Creative and Performing Arts building.
- New school entry.

Ongoing works include:

- Refurbishment of building T into additional TAS facilities and associated landscaping works.
- Refurbishment of building L and building B (upgraded classrooms).
- Construction of new multi-sport facility in partnership with the PCYC.
