Hastings Secondary College upgrade – Port Macquarie Campus

Welcome Pack | May 2024

Welcome to your new facilities

We're excited that a new multi-sport facility is ready for you to use. Delivered in partnership with Police Citizens Youth Clubs (PCYC), the new facility includes:

Sports courts

Gymnastics facilities

Weights room

PCYC Police office

Multipurpose rooms

Youth hub

Staff kitchen facilities

We are delighted to deliver this upgrade for the Port Macquarie community and hope you enjoy your new spaces.

New gymnastics facilities

Welcome message

The completion of the shared sports facility marks a significant milestone for our school and the Port Macquarie community. Through a partnership between Police Citizens Youth Club (PCYC) and the NSW Government, we are able to offer our community new sports courts, gymnastics and gym facilities, multipurpose rooms, and a youth hub. We're very excited about the opening of these new facilities because they will create a tighter link between the wider community and Hastings Secondary College.

College students will have exclusive use during school hours. This will greatly benefit the school's Sport Academy, Personal Development, Health and Physical Education, and elective programs, while also offering numerous sporting activity opportunities for both Port Macquarie and Westport Campus students. The PCYC will operate the facilities outside of school hours, or as otherwise agreed with the school, and host the wider community.

We thank you for your patience during construction and look forward to sharing these amazing new spaces with the community.

Two full-sized indoor sports courts

Gym facilities with weights room

Upgrade overview

All works at the Westport campus are complete, including an upgraded administration office, redeveloped school entry and new modern classrooms.

Completed works at the Port Macquarie Campus include:

- a new Technological and Applied Studies (TAS) building
- associated landscaping, including TAS forecourt
- North South Link – accessible to all students, the new two-storey walkway connects the centre of the school and provides access between Building A and Building L
- new Creative and Performing Arts (CAPA) building
- new school entry
- shared sports facility with PCYC.

Remaining works include:

- rebuilding of Building T into additional TAS facilities and associated landscaping works
- refurbishment of Building B and Building L (upgraded classrooms).
