**Upgrade to Hastings Secondary College Port Macquarie Campus (SSD-11920082)
Construction Worker Transportation Strategy, Condition B20**

Dear Mr Najdi

I refer to the updated Construction Worker Transportation Strategy (CWTS) submitted to the Planning Secretary under condition B20, Schedule 2 of the project development consent for the Hastings Secondary College, Port Macquarie Campus Upgrade (SSD-11920082). I also acknowledge your response to the Department's request for additional information.

I note the updated CWTS:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been submitted prior to the commencement of works for Buildings B and L under stages 1C.1 and 1C.2; and
- contains the information required by the condition.

I also note that the remaining works, under the stated stages, relate to refurbishment of specific buildings located inside the college with no vehicle access.

Accordingly, I acknowledge receipt of the updated CWTS, Rev C, for our information as per condition B20 of SSD-11920082.

I remind you to continue monitor the CWTS to avoid potential adverse impacts on the surrounding road network and parking facilities. Also, I remind you to provide a copy of the updated CWTS to the Certifier, if already not done so.

Please note that if there are any inconsistencies between the updated CWTS and the conditions of consent, the conditions will prevail.

Also, please ensure you make the updated CWTS publicly available on the project website at the earliest convenience.

If you have any questions, please contact Ms Tanja Ibsen on tanja.ibsen@dpi.nsw.gov.au.

Yours sincerely
