

Hastings Secondary College

Completion Pack – April 2025

Welcome to your upgraded school

We are excited that the final construction works for the Hastings Secondary College, Port Macquarie Campus are complete, and all areas are open for use.

The upgrade has delivered:

- 14 new or upgraded modern classrooms
- facilities for specialist support classes
- new Technological and Applied Studies (TAS) facilities
- new Creative and Performing Arts (CAPA) building
- increased student accessibility with 3 lifts installed
- redeveloped school entry
- a new shared use, multi-sports facility with sports courts, gymnastics and gym facilities, multipurpose rooms, and PCYC Police office, youth hub, admin and staff kitchen facilities.

Thank you for your patience during construction. We are thrilled to deliver Hastings Secondary College, Port Macquarie Campus for the school community.

New classroom in the refurbished Building L

Message from your College Principal

I am thrilled to share the exciting news that the renovation works on Buildings B and L at our Port Macquarie Campus have now been completed. This milestone marks the culmination of extensive enhancements across both the Port Macquarie and Westport Campuses, reinforcing our commitment to providing our students with fit-for-purpose facilities.

We truly appreciate your patience and understanding as we navigated the challenges posed by the ongoing construction. Your support has been invaluable as we worked towards creating a dynamic learning environment for our students.

The newly refurbished Buildings B and L feature state-of-the-art modern flexible classrooms and dedicated areas for our staff, all designed to foster engagement and collaboration.

Earlier this year, we also celebrated the completion of renovations on Building T, alongside the shared PCYC space established last year and numerous other significant upgrades across both campuses. The positive feedback from students, staff, and visitors alike has been overwhelming, and it is heartening to see how these new facilities are being embraced by our school community.

As we celebrate the completion of the works on Buildings B and L, we are not just marking the end of a project; we are embracing the beginning of a new era of learning and engagement at Hastings Secondary College. Together, let us continue to explore the 'ocean of opportunities' that lie ahead.
