

# Hastings Secondary College

Port Macquarie Campus

Welcome Pack – February 2025

Refurbished Building T

## Welcome to your upgraded school

The upgrades to Hastings Secondary College Port Macquarie Campus are nearing completion. We are excited that Building T is now complete and ready for students and staff to use.

The new facilities in Building T include:

Technological and Applied Studies  
(TAS) facilities

modern and flexible classrooms

dedicated staffroom

new accessible bathroom

Thank you for your patience during construction.  
We are thrilled to deliver this project for the school community.

New classroom in Building T

## Message from your College Principal

We are excited to announce the completion of the re-development of Building T on Port Macquarie Campus, which brings us nearer to the completion of all works across both Port Macquarie and Westport Campuses.

We understand that works have been in place around the school for some time, and the impact this has had on our school community, and we thank you so very much for your patience to see these new and improved school areas completed.

These works on Building T will allow students and staff access to brand new flexible learning spaces which include dedicated Technological and Applied Studies (TAS) facilities.

This work on Building T comes off the back of works completed last year which saw the completion of the shared PCYC space, as well as other significant upgrades across both Port Macquarie and Westport campuses. These new facilities and upgrades across both campuses have been extremely well received by students and staff, as well as visitors and guests to Westport Campus.

As we celebrate the completion of these works on Building T, we now shift our focus to works taking place on Building B and Building L, which are due for completion in mid-2025, and will be the final piece of all works across both campuses.

## Building better schools

We are continuously improving the way we build schools.

Later this year we will share a survey link about the school upgrade.

Your feedback, ideas and suggestions will help inform the way we plan, design and build future schools so that they best support high quality teaching and learning.

## Overview

The Port Macquarie Campus upgrade is being delivered in stages.

- Completed facilities include:
  - A new TAS building.
  - Associated landscaping, including TAS forecourt.
  - North South Link – a new two storey walkway connecting the centre of the school and providing accessible access between Building A and Building L.
  - A new double storey Creative and Performing Arts building.
  - New school entry.
  - Construction of new multi-sport facility in partnership with the PCYC.
- Opening for Day 1 Term 1 2025:
  - Refurbishment of Building T into additional TAS facilities and associated landscaping works.
- Ongoing works include:
  - Refurbishment of Building B and Building L (upgraded classrooms). These are anticipated to be finished mid-2025 ready for use by students and staff.

## Frequently asked questions

### When will all works be complete across both Port Macquarie and Westport Campuses?

Works are fully completed on Westport campus, and only a small amount of works remain on Port Macquarie campus. These include works to Building B and Building L, which are anticipated to be finished mid-2025 ready for use by students and staff.

### How do I enrol?

Enrolments for Year 7 2026 will open in Term 1 2025 and will be managed by your local public school or can be done online. More details about the transition from Year 6 to 7 can be found on the website below. [year7.enrol.education.nsw.gov.au](https://year7.enrol.education.nsw.gov.au).
