

Hastings Secondary Campus

Works notification | 6 February 2025

Work is continuing to upgrade Hastings Secondary College Port Macquarie campus to support the student community.

Rectification works at Port Macquarie Campus

From Monday 10 February to Friday 7 March 2025, the TAS forecourt and basketball area will be closed off from the school to enable works on the stairs either side of the TAS forecourt bleachers. These works will correct defects that were identified after construction finished.

The stairs will remain closed off until all rectification works are completed. The works are expected to be completed by the end of Term 1 and the whole area will then be returned to the school to use.

Construction workers will use the back entrance gate of the school to access the site, and all works will be contained within the Port Macquarie campus.

Working hours will be 7 am to 6 pm Monday to Friday and 8 am to 1 pm Saturdays.
