				Contractor advised that the use of generator is only required during approved work hours.		
25 May 2022	27 May	Email to SINSW	Noise complaint (generator use out of hours and trucks reversing)	The multipurpose hall is open as a shared space for community groups to use outside of school hours and unfortunately the generator was not switched off after community activities on Tuesday evening. The contractor installed an acoustic curtain to reduce generator noise until the generator can be removed from site following installation of temporary power line (expected in coming weeks). Vehicle movements taking place in accordance with work hours and development consent.	Closed	No
