

Hurlstone Agricultural High School

Works notification | 6 June 2024

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education. This includes an upgrade to Hurlstone Agricultural High School.

Pest control activities

Pest control activities to manage the population of red foxes at Hurlstone Agricultural High School is being undertaken during the months of June and July 2024.

Sydney Feral and Commercial Pest Control Pty Ltd have been engaged to undertake this work, which will be done using firearms. The work will take place from 8 pm, using subsonic ammunition and silencers to minimise disruption to the community.

Pest control is currently scheduled for the following dates, which will occur over a long weekend and during school holidays:

- Saturday 8 June
- Monday 8 July
- Thursday 11 July
- Tuesday 16 July

This work will take place in accordance with the [Department of Primary Industries](#) guidelines and relevant legislation. The local police will be notified at the commencement and completion of works. This work has been scheduled during school holidays to minimise disruption to school operations and ensure safety.
