

# Hunters Hill High School

## Project update | December 2025

### Investing in our schools

The NSW Government is committed to expanding high potential and gifted education (HPGE) opportunities in NSW public schools. This includes a multi-million-dollar investment into the HPGE Partner School Program.

Under the program, 33 high schools including Hunters Hill High School will receive facility upgrades to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE offerings.

### Progress summary

We are pleased to provide an update on the stages of each key area within Hunters Hill High School targeted for facility upgrades. This work ranges from minor refurbishments, such as painting, to more extensive enhancements:

Music rooms

## Asbestos removal

As part of construction work in buildings B and J, we are removing vinyl tiles with asbestos-containing materials as listed on the School Asbestos Management Plan.

NSW Health explains that “living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged”.

Work to remove the asbestos-containing material will be done on weekends or during the Summer School Holidays.

All work will be done in accordance with work health and safety laws and the NSW Department of Education’s Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

## More information

You can find more information about the project by scanning the QR code.

If you have any questions about this project, you can contact us during business hours on the details below.

School Infrastructure will be closed from Wednesday 24 December 2025 at 12 pm to Monday 12 January 2026 at 9 am, inclusive, in line with the NSW Government shut down period. You can continue to contact us during this time, and we will get back to you after we return.
