

# Koorinal High School Project update February 2025

Image caption: An example of a library

Dear staff, parents and carers,

The NSW Government is committed to expanding high potential and gifted education (HPGE) opportunities in NSW public schools. Part of this work is a \$50 million investment into the HPGE Partner School program.

Under the program, Koorinal High School will receive facility enhancements to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE offerings.

Work will include:

- replacing the existing sports court and installing a new covered outdoor learning area (COLA)
- upgrades to the library's quiet spaces
- upgrades to 3 science laboratories, 2 art rooms and the performing arts area.

Project planning is underway and delivery of the works will be coordinated with the school.

Work is scheduled to begin in Term 1 2025.

## More information

We will keep the community updated and provide more information as it becomes available.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the details below.
