

# Mitchell High School Project update | December 2025

## Investing in our schools

The NSW Government is committed to expanding high potential and gifted education (HPGE) opportunities in NSW public schools. This includes a multi-million-dollar investment into the HPGE Partner School Program.

Under the program, 33 high schools including Mitchell High School will receive facility upgrades to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE offerings.

## Progress summary

We are pleased to provide an update on the stages of each key area within Mitchell High School targeted for facility upgrades. This work ranges from minor refurbishments, such as painting, to more extensive enhancements:

Entrance enhancements
